OLE MISS 1963

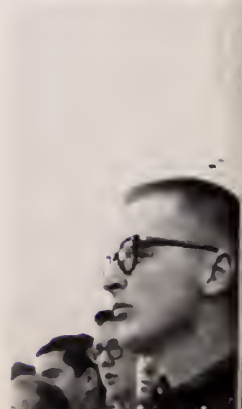

*We dedicate the 1963 OLE MISS to
the students of our University for it is
because of their unfaltering
trust in Ole Miss that the
opportunity for an education still exists.*

WELCOME
TO OLE MISS
EVERYBODY SPEAKS

REMINISCENCES OF 1963

We recall our year as one which contained almost all the experiences we could possibly endure. The quiet, peaceful way of life we had known was shattered by the contamination of the gentle Southern breeze with the sounds and smells of violence. But still in our minds are memories of those wonderful days given only to college students at Ole Miss.

First came Rush--seven days of worrying, along with many sleepless nights, as bonds of brotherhood were formed. After careful searching and consideration, our trials and tribulations resulted in a bid. To some, this brought joy, to others, sorrow; to all, great hopes for the future.

After the ordeal of Rush we staggered into a new form of torment--Registration. Here was an interment from which there was little escape. The seemingly continuous, never-ending lines progressed slowly from table to table.

*And then, through the masses of
delirious humanity came a small,
wonderful gleam of light--an opening
to the outside. Desperately we
hastened through that gateway to
the world of off-campus tranquility.*

And then amidst . . . one shot . . . one shell . . . one night . . . The morning revealed the aftermath of the terror. Time has erased the physical scars from the campus. But only through continued faith and effort by its students can Ole Miss proudly proclaim its traditions of Quality, Integrity, and Progress.

We overcame our obstacles and began to rebuild. Our pep rallies became bigger, our football team the best, and our school spirit and unity the greatest. The tragedy became a tie that bound us closer together in salvaging what we could and planning for future days.

The on-again, off-again Homecoming game was finally held, and the immortal freshman Pajama Parade led us back toward a normal campus life. Football games, alumni, and parties placed Ole Miss back into its "high cotton era." Striking out against the unrelenting tension of the early days of school Ole Miss students released their frustrations through the revelries of Homecoming parties.

Christmas arrived at last and with it thoughts of well-earned holidays. The Yuletide spirit was not forgotten at Ole Miss. Amid our festive celebrations and enthusiastic preparations for the long trips home we paused a moment to help everyone have a very happy and Merry Christmas.

The next weeks brought deep thoughts and careful preparations for what would decide our status in the University--exams. Resolutely we prepared for the last days of the semester. Studying became contagious; we faced exams with utmost confidence. Here, as in Rush, some found joy, others sorrow--all hope for the future. The setting sun no longer symbolized the end of the day, but only displayed the great horizons of our future. Here, with education, do we guarantee America's heritage.

'Way down South in Mississippi, there's a spot that ever calls, Where among the hills enfolded stand old Alma Mater's halls. Where the trees lift high their branches to the Whispering Southern Breeze, There Ole Miss is calling calling to our heart's fond memories. Ole Miss . . . a sound that shall ring in our hearts and memories for the rest of our lives. Ole Miss . . . a name that will be written in history forever. Here is where our worldly life begins. Here is where we build forever. The University of Mississippi--nineteen hundred and sixty-three.

Administration

ROSS R. BARNETT

The Honorable Ross R. Barnett, a devoted and illustrative alumnus of the University of Mississippi, stands as a model of success wrought by hard work and dedication to principle. The son of a Confederate veteran, Governor Barnett was born on a small farm in Standing Pine community, where he later attended Leake County public schools.

Graduated from Mississippi College, 1922, and the University of Mississippi Law School, 1926, Governor Barnett began his law practice in Jackson and has since ascended to the highest office of the State of Mississippi. During the course of his administration our state has undergone perhaps the most trying difficulties that could be put upon a governor and a state. Our governor has brought the state through these trying times with a dignified perseverance. Not to be overshadowed by Governor Barnett's activities in the field of states' rights are the many economic and industrial benefits brought to Mississippi with his aid.

Ole Miss is proud of Governor Ross R. Barnett.

GOVERNOR

DR. JOHN D. WILLIAMS

CHANCELLOR

The University of Mississippi is proud to have as its Chancellor, Dr. John D. Williams. The year 1962 has been the most challenging year for Dr. Williams of the sixteen he has spent at Ole Miss. He met this year with dignity, integrity and intelligence.

During the past few years Dr. Williams has served as President of the State Universities Association, and he is now serving as a member of the Executive Committee. He is Vice-President of the National Association of State Universities and is a member of the Executive Committee. Among his other numerous activities, he is Vice-President of the Southern Regional Education Board and is chairman of the Educational Plans and Policies Advisory Committee of the Southern Regional Education Board. He has attained state and national acclaim for his outstanding leadership in the educational field.

Dr. John D. Williams, along with other University officials, has brought greatly increased educational opportunities to the student and increased service to the people of Mississippi. Under such leadership, progress has been made at Ole Miss and progress will continue to be made.

Left to Right: Thomas J. Tubb (Vice-President); W. O. Stone; R. B. Smith, Jr.; E. Ray Izard; Ira L. Morgan; Dr. Verner S. Holmes; E. R. Jobe (Executive Secretary); Charles D. Faire (President); Tally D. Riddell; Leonard Lowrey; M. M. Roberts; H. G. Carpenter; J. N. Lipscomb; S. R. Evans.

Composed of a group of dedicated Mississippians, the Board of Trustees of Institutions of Higher Learning is appointed by the Governor with the advice and consent of the Senate. This group, which is the governing body for the University, is made up of twelve members who are appointed for terms of twelve years, in groups of four each four years, one of whom is appointed from each Congressional District, one from each of the three Supreme Court Districts, and two from the State-at-Large. There are no ex-officio members. The Board of Trustees selects one of

its members as President of the Board and appoints the Chancellor as executive head of the University.

The new buildings and other expansions of our physical facilities are only a visible portion of the work done by this group, who give up a valuable portion of their time to help guide the educational program of our state.

COLLEGE OF LIBERAL ARTS

The oldest school on the University campus is the College of Liberal Arts, being the only one contained in the original makeup at the time of opening in 1848.

The College offers a broad and complete comprehensive course of study including most areas of knowledge in the humanities and in the physical, biological and social sciences. The broad study program of the College of Liberal Arts is an end in itself in guiding students toward intellectual and civic competence, and serves as a point of departure for students entering law, medicine, theology and other professional fields; as well as for those who wish to participate in advanced study and research programs.

A significant feature of this school is its Scholars Program which enables selected superior students to participate in advance class sections and to meet and have discussions with eminent faculty members and outstanding campus visitors.

The Dean of the College is Dr. A. B. Lewis.

Dean A. B. Lewis

SCHOOL OF LAW

A legislative enactment in 1851 established at that time the Department of Law, which later became the University's School of Law. The three-year program of study offers a thorough grounding in the principles of jurisdiction together with actual practice of legal procedures. This program also entitles its graduates to practice in any court of law in the state without further examination. An emphasis on Mississippi law and practice does not prevent students from becoming familiar with the American and Anglo-Saxon legal tradition as a whole. Along with the Mississippi State Bar Association the Law School publishes the **Mississippi Law Journal**. Two leading legal fraternities, Delta Phi and Phi Alpha Delta, have chapters on the campus. The school is accredited both by the Association of American Law Schools and the American Bar Association. The Dean of the school is Dr. Robert J. Farley.

Dean Robert J. Farley

Dean Frederic H. Kellogg

SCHOOL OF ENGINEERING

Courses in Engineering were offered by the University at the time of the reopening of the school immediately following the close of the War Between the States. The School of Engineering was not officially organized until 1900.

In 1903 appropriation by the Legislature enabled the School to introduce new courses and secure new equipment.

The school, now housed in modern, well-equipped Carrier Hall, offers ample opportunity for progressive instruction and research in chemical, civil, electrical, geological, and mechanical engineering. The University has also been chosen as one of the sites for installation and operation of one of the 125 world-wide Standard Seismic Stations. With the addition of this station, the School of Engineering will be able to offer instruction in geophysics.

The Dean of the School of Engineering is Dr. Frederic H. Kellogg.

Dean Sylvester A. Moorhead

SCHOOL OF EDUCATION

A broad liberal arts background combined with professional training gained in pre-service and in-service teaching programs on both the undergraduate and graduate levels is offered by the School of Education to the prospective teacher.

In accordance with the desire of the school to keep up to date in all matters pertaining to education, new departments in Educational Research, Audio-Visual Education, and Counselor Education are maintained by the school as well as a Teacher Placement Bureau.

The School has earned accreditation from the National Council for the Accreditation of Teacher Education and is a member of the American Association of Colleges for Teacher Education.

The Dean of the School of Education is Dr. Sylvester A. Moorehead.

SCHOOL OF MEDICINE

The Ole Miss Medical center accepts responsibility for training, research, service, and leadership in the preservation of life and promotion of health for this and future generations.

The School has its headquarters in Jackson at the University Medical Center which is composed of the University Hospital and the School of Medicine Building and was completed in 1955. The Jackson Veterans Administration Hospital, Mississippi State Hospital at Whitfield and the Mississippi State Sanatorium at Sanatorium are affiliated with the Medical School and cooperate with its teaching program. With the use of these excellent facilities, a four-year program which leads to the Doctor of Medicine degree has been established.

The school is fully approved by the American Medical Association and the Association of American Medical Colleges.

The Dean of the school is Dr. R. Q. Marston.

Dr. W. Alton Bryant
Vice-Chancellor

Dean Robert Q. Marston

SCHOOL OF PHARMACY

In 1908 the School of Pharmacy opened at the University. The school provides thorough instruction for students who wish the special education and training necessary for the practice of pharmacy.

The degree of Bachelor of Science in Pharmacy is conferred on those students who have successfully completed the five-year curriculum of the School. This covers two years of preparatory work, followed by three years of professional pharmacy courses.

Students in this school make an annual trip under the direction of faculty members to visit well-known pharmaceutical and biological laboratories, where large-scale production of pharmaceuticals and allied products is demonstrated.

The school is accredited by the American Council on Pharmaceutical Education.

In the fall of 1963 the school will occupy new quarters in the Science Center, especially planned to meet the school's needs. The Dean of the school is Dr. Charles W. Hartman.

Dean Charles W. Hartman

Dean Clive F. Dunham

SCHOOL OF COMMERCE

For the first time since its inception in 1917, the School of Business and Government is now housed in its own building. Conner Hall, first occupied in 1961, is handsome, air-conditioned, and designed specifically to meet the needs and growth of the School of Commerce.

The primary function of this school is to teach students the basic knowledge they will need for an administrative career in business or government, and to begin development of their proficiency in the application of such knowledge.

The school is a member of the American Association of Collegiate Schools of Business, which is the national accrediting agency in the field of business. Four degrees are available: Bachelor of Business Administration, Bachelor of Public Administration, Bachelor of Science in Commerce, and Bachelor of Science in Journalism.

The Dean of the School is Dr. Clive F. Dunham

Dean Lewis Nobles

GRADUATE SCHOOL

As early as 1870 courses of graduate level were offered at the University.

The school was officially established in 1927.

The centers of the graduate studies are the Alexander L. B. Bondurant Graduate Building and the University library in which carrels are provided for the special use of each student. In addition to seminar rooms and auditoriums, these buildings house several special collections and libraries.

There has been a steady increase in enrollment of students in this program since it was organized in 1927. In 1955 the University was authorized to develop doctoral programs in some fields which broadened the graduate studies considerably.

The Dean of the school is Dr. Lewis Nobles.

Features

Well selected panel of judges questions contestants as Editor oversees.

The culmination of hours and days of practice . . . two minutes on stage.

The University of Mississippi continues this year with the well-known tradition of harboring the South's most beautiful belles. Many of these young ladies are widely acclaimed, and have been further honored by being selected as the top beauties of 1963.

The OLE MISS features outstanding students on campus — Miss Ole Miss and Colonel Rebel, noted leaders in various fields; the members of the Hall of Fame, Homecoming Queen, Rebelee Queen and Miss University, along with ten favorites selected at the Parade of Favorites and Beauties.

The highest honor that can be bestowed upon an Ole Miss student is to be selected to the Hall of Fame. Members of the Hall of Fame are chosen on the basis of leadership, scholarship, loyalty, spirit, devotion, and service to the University.

The selection is conducted in such a manner as to be entirely free from campus politics. A Selection Committee established by the Campus Senate sends out requests for nominations to the persons holding the twelve most important positions on the campus. Those students nominate twenty-four students to make the actual selection. The

twenty-four students who are elected then vote for the six persons on the campus who they feel deserve this great honor. The six students who receive the greatest number of votes from the committee of twenty-four are the students who are selected.

Those students chosen for the 1963 Hall of Fame are: Sidna Brower, Editor of *The Mississippian*; Louis Guy, Football All-SEC; Clark Hairston, President of AWS; Douglas B. Lewis, Editor of *THE OLE MISS*; Jack Lynch, Chairman-Student Judicial Council.

ASB CABINET—Left to Right: Gerald Blessey, Clark Hairston, Mike Carter, Ellis Nassour, Kim Johnson, Tom Cleveland, Dick Wilson, Gray Jackson, Sybil McRae, Ernest Thomas, Dick Todd, Betty Moss, Fred Moss.

THE ASSOCIATED STUDENT BODY

The President of the Associated Student Body this year is Dick Wilson. It is his duty to see that all phrases and laws of the Constitution are carried out and to promote the general welfare of the students.

Gray Jackson is Vice-President and serves as President of the Campus Senate. Sybil McRae, the Secretary, records the minutes of the Campus Senate. Treasurer Kim Johnson is responsible for all funds disbursed through student activities.

The President appoints his cabinet, who help him in his executive duties. The cabinet consists of the ASB officers and nine members appointed by the president.

The Judicial Council is composed of five members, one of which is elected by the student body to serve as chairman. Jack Lynch coordinates the council as chairman this year.

TRAFFIC BOARD—Left to Right: Lindsey Harp, Gaylen Robert, Sally Wilson.

ASB JUDICIAL COUNCIL—Left to Right: Justice Charles Ray Davis, Justice Neal Biggers, Chief Justice John Francis Lynch, III, Justice Thomas Stennis, Justice Cecil Baron Jones, Jr.

THE CAMPUS SENATE

The Campus Senate is the legislative organ of the University of Mississippi student body. The Senate controls all matters which are delegated to the student body by the administration, and sets the policies for all student body activities so that they may be conducted for the best interest of the student body as a whole.

The Senate is composed of one member from each section of every dormitory, each fraternity and sorority house, each district in Vet Village, and two members are elected from the Oxford and commuting students.

The Vice-President, Gary Jackson, and the Secretary, Sibyl McRae, of the Associated Student Body serve as President and Clerk of the Senate. The President Pro Tem, Champ Terney, and the Marshal, Flo Youste, are elected by the Senate. The Chaplain, Judith Thompson, and the Parliamentarian, Marshall Bennett, are appointed by the president.

In wholehearted cooperation with the Dean of Women and all administrative officials, the AWS tries to coordinate all women's activities, create an environment for the pursuit of excellence, and cultivate respect for the rules of conduct and for University policies. The Associated Women Students, composed of every woman student on campus, is a self-governing organization headed by an Executive Council of six officers, elected by popular vote and a Judicial Council composed of one appointed representative from each class.

Each residence hall elects a House Council consisting of a president, secretary, treasurer, and two representatives from each floor. The Judicial Council, with the help of these officers, is responsible for the enforcement of dormitory and sorority regulations. A Legislative Council, made up of dormitory and sorority house presidents and secretaries, formulates these regulations, subject to the approval of the Dean of Women. The President's Council, composed of the dormitory and sorority house presidents, meets once a week with the AWS President to discuss common problems.

The AWS is a member of the Mississippi Inter-Collegiate Association of Women Students.

THE 1963

The task of editing the **OLE MISS** Yearbook is one which requires a great deal of imagination, coordination, and hard work. This year the editorial staff has operated under a system of co-editors, which gives the editor greater confidence and assurance that each section will meet its deadline. This is one of his greatest and wildest illusions of the year.

Doug Lewis, who has just completed his second term as Editor-in-Chief of the **OLE MISS** and his second health rehabilitation, has indeed done a fine job in his efforts to give us a bigger and better yearbook. Of course, there were many days of frustration and disappointment in which the completion of the yearbook looked doubtful. There were days of turmoil and anxiety in the early fall which challenged the very future of our University—along with our salaries. But under the clouds of tear gas, and despite the clatter of helicopters and jeeps, the conscientious and strong-willed staff members were found hard at work! That is—except the Editor, who chose to hibernate until the driving conditions became better on the campus. There were deadlines to meet, pictures to take, and appointments to make. There was excitement and anticipation at the Parade of Favorites and Beauties. And, finally, there was that sigh of relief and our last cocktail party when all our efforts and ideas were packed up and sent to the printer. PHEW!! What a year! Damn!! What a party!

It has been a wonderful experience for us, as staff members, to watch the steady development of the yearbook through this memorable year. It is our sincere hope that this issue of the **OLE MISS** will help to enhance your memory of the year 1962-1963.

Editor Brower and her associates look over a final edition of "The Mississippian."

The **Mississippian** continued for the fifty-second consecutive year to report the news to the students of the University of Mississippi, without censorship or control by any group other than its student editorial staff.

Under Editor Sidna Brower, the paper entered its second year of publication as a daily—Tuesday through Friday—newspaper.

The **Mississippian** is printed on a new Fairchild "Color-King" press, installed in the Journalism Building shortly before school opened in September. On this press, the paper can be printed in black plus any other color.

The year began with the **Mississippian** in the middle of the biggest news event in the nation—the desegregation of Ole Miss. The staff gave first-hand coverage to the story, keeping students informed of the latest happenings.

Editor Brower, through her calm and rational editorials, earned the respect of journalists throughout the nation. For her efforts she was awarded the Henry Taylor Internship Award, which entitles her to work on the staff of any Scripps-Howard paper in the nation for a year.

Managing Editor Jan Humber attended to most of the details of putting the paper together, and wrote several highly-praised stories during the integration crisis.

Business Manager Ernest Thomas fought a year-long battle to keep the editorial staff from running the paper completely into bankruptcy.

The ASB Dance and Movie Committees are vital committees in the operation of the ASB with the essential purpose of providing college-level entertainment for the Ole Miss students.

The Dance Committee, headed by Griffin Harrell, has the official function of sponsoring all ASB Dances, street dances, and concerts. This ASB committee started off a successful year with a concert by the "HIGHWAYMEN" who packed Fulton Chapel and another concert by "PETER, PAUL, AND MARY." These were followed by many other big-name performances.

The Movie Committee, for the past three years, had brought many outstanding productions to Ole Miss. Through very capable student leadership and interest from students, the motion pictures at Ole Miss have become a large part of student life.

Entertainment, of course, assumes an important place in the lives of the University students, and these committees are striving for the best for all the students.

The **Mississippi Law Journal** was established in 1928 as the official publication of the Mississippi State Bar. The **Journal** is published four times yearly in March, May, October, and December under the auspices of the Bar and the University of Mississippi School of Law.

The Editorial Board and Staff is composed of Students in the School of Law chosen by the faculty for scholarship and ability in the field of legal writing.

Material printed in the **Journal** is composed of leading articles written by eminent lawyers throughout the country. A symposium issue, which deals with some phase of Mississippi law, is usually published in August. Mr. Robert K. Rushing serves as faculty advisor for the **Journal**.

MOOT COURT BOARD

The purpose of the Moot Court program is to familiarize students with the actual practice of Law in the State of Mississippi. It is formulated and conducted so as to stimulate such a practice as closely as possible, and thus give students experience in following procedural rules as established by law in Mississippi and applying substantive law to a given factual situation. Accordingly, students participate in both trial and appellate work, interviewing clients

and witnesses, preparing appellate briefs, and conducting courtroom arguments. Justices in appellate cases consist of one faculty member and two senior law students, and a well-known practicing attorney usually sits as judge in trial cases.

The Chairman of the Moot Court Board is Robert Husband, and Professor Joel W. Bunkley serves as Faculty Advisor.

Greeks

A WAY OF LIFE

A brief escape

The fun and relaxation of RUSH

The tranquil moments away from class

Hasty decorations for a postponed Homecoming.

The Greeks were founded back in the days when no one knew any better. When you are a Greek you may have someone for your brother you wouldn't even consider having for a friend. This is a result of the biggest farce ever invented—RUSH. It is described as the method by which the new college students are introduced to the joys of fraternity life. Rush is characterized by friendly smiles, pleasant handshakes, and "so-good-to-see-you" greetings from people who have been up until three o'clock in the morning and aren't friendly or pleasant and don't give a damn whether they see you or not. Some people have accused the Greeks of existing only for parties. This is not true. They also exist for pledge swaps, intramural sports, electioneering, stunt night, sing-song, and other such up-lifting activities.

The welcomed night of Pledging brings the worrying of RUSH to a close.

Those wonderful, quiet parties.

Clasps of friendship

Amusing parties relax and entice rushees

The spirit of Christmas

Well if this doesn't get them—they won't pledge.

Uh— About these rush parties?

The serenade of a pinnee.

SENIOR PAN-HELLENIC COUNCIL

Rose Clayton, President

The Pan-Hellenic Council of the University of Mississippi is a member of the National Pan-Hellenic Conference, which has organizations on the campuses of the leading colleges and universities in the United States. Its purposes are to act as a governing body for all sororities, and to further active cooperation and understanding among the sororities, between sorority and non-sorority women, and between the sororities and the University.

Always working for the good of the University, Pan-Hellenic strives to promote fine intellectual achievement and scholarship, to maintain high social standards, and to promote worthy projects on and off the campus. All regulations concerning formal and informal rush are formulated and enforced by this council.

The council is composed of the presidents of each of the sororities and two additional representatives from each group. Each representative is elected by her own sorority. The officers of the council are selected on a rotation basis with each sorority having an officer of Pan-Hellenic at regular intervals.

INTER-FRATERNITY COUNCIL

OFFICERS

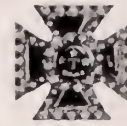

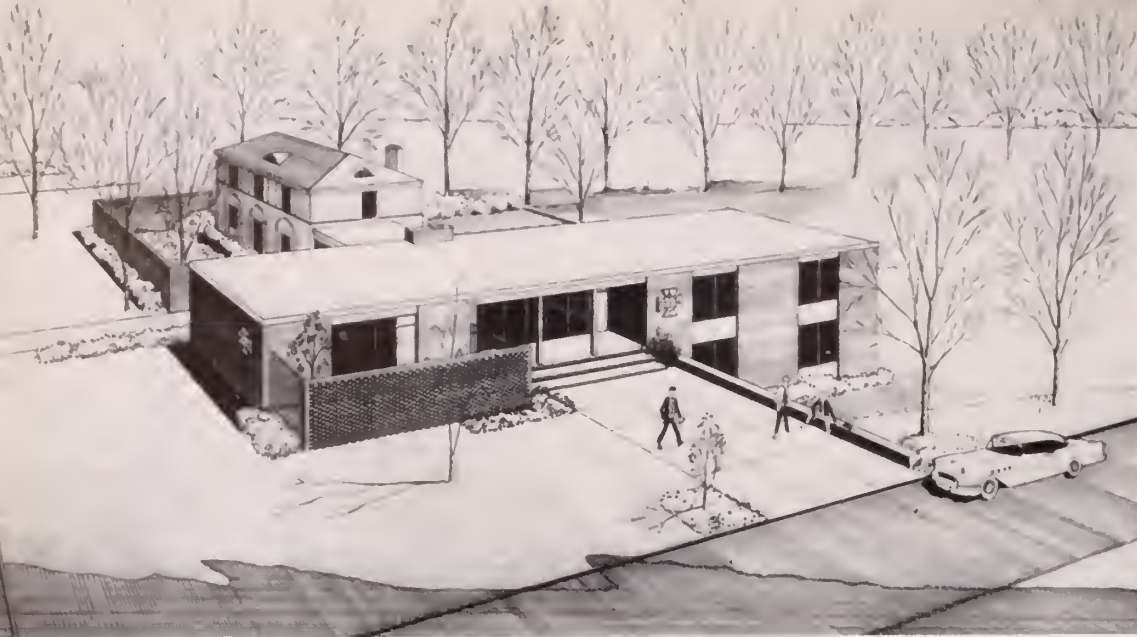

Trent Lott	<i>President</i>
Kim Johnson	<i>Vice-President</i>
Jimmy Dedeaux	<i>Secretary</i>
Bob Madeo	<i>Treasurer</i>

The organization designed to regulate and govern the activities of all social fraternities on the University campus is the Inter-Fraternity Council. The primary function of the IFC is to serve as a governing body of the sixteen fraternities. It is composed of two representatives chosen from each fraternity and is governed by four officers elected from the membership of the council itself. The council meets bi-monthly to discuss the mutual problems of the fraternity system. Another duty of the council is carried out each year in the planning, setting up, and enforcing of rules for fraternity rush.

Throughout the coordination of activities, the Inter-Fraternity Council attempts to unite the fraternities in a spirit of friendly brotherhood, to promote scholarship, to encourage new fraternities and to develop existing chapters and individuals in the fraternity system.

TRENT LOTT, President I.F.C.

DELTA PSI CHAPTER OF ALPHA TAU OMEGA

On September 11, 1865, three young Confederate veterans decided to found an organization at Virginia Military Institute which would bring together in a permanent brotherhood the young men of the North and South. This organization is Alpha Tau Omega, the first Greek-letter fraternity after the War Between the States. The Delta Psi Chapter of the Taus was founded at Ole Miss in 1927 and has grown in both size and prestige each year. Spirit and enthusiasm are shown by members participating in many campus activities, such as student government, military organizations, religious, honorary and professional groups.

"No North, no South, no East, no West" is a motto of the 117 chapters of ATO, which instituted the policy of a

Help-week instead of a Hell-week. This is an annual service project through which the local "hairy-chested" men, with the aid of one of the campus sororities, rebuild the home of a needy Lafayette county family.

When spring has "sprung," then it is off with the work clothes and on with the tux as the ATO's entertain with their spring formal, the major festivity on their social calendar.

This year the ATO's are happily awaiting the completion of a new addition to their house. With the completion of this addition Alpha Tau Omega will be better able to enjoy and to further enhance the fulfillment of their many varied social activities.

BETA BETA CHAPTER OF

BETA THETA PI

One hundred and twenty-four years ago on August 8, 1839, the sparkle of the Beta Theta Pi diamond first appeared on the campus of Miami University in Oxford, Ohio. Beta Theta Pi is the oldest social fraternity to be founded as such and was the first member of the famed "Miami Triad." There are now one hundred and one Beta Chapters in thirty-seven states and two provinces in Canada. Their membership has expanded so that now it totals 50,000.

The diamond's rays fell on the University of Mississippi campus in 1879, when members of the now-extinct "Mystic Seven" were incorporated into Beta Theta Pi. Since then the diamond has been carried into every phase of campus activity by fraternal brothers and leaders.

Beta's social calendar is filled throughout the year with

all sorts of parties, including dances, outings and the Spring Formal, which is their social highlight of the year.

Next year the Beta's will be at home in their newly constructed modern house, which will house thirty-two members.

The pink rose was chosen as the Beta's national flower, but the Beta Beta chapter at Ole Miss favors the magnolia. Betas everywhere proudly display the fraternity colors of pink and blue, and they all honor the dragon.

The Founders considered the fraternity responsible for positive contributions to the primary functions of the University, and, therefore, under an obligation to encourage the most complete personal development of its members—intellectually, physically, and socially.

PHI CHAPTER OF DELTA KAPPA EPSILON

June 22, 1844, at Yale in Number 12 Old South Hall, 15 men founded Phi Chapter of Delta Kappa Epsilon. The Dekes came to the University of Mississippi in 1850 where they established Chi Chapter. They were not only the first fraternity to be established on the campus of the two-year-old school, but also were the first one to be established in the State of Mississippi.

The Dekes have expanded so that now 51 chapters honor the colors crimson, blue and gold and the rampant lion. Also the Dekes hold in reverence the black diamond, which is worn by every Deke active.

The Dekes have produced many outstanding national leaders, which can be seen by the fact that they have more alumni in Who's Who than any other fraternity. Also included in their alumni group are two Presidents of the United States and such men as Cole Porter, John Foster

Dulles, and J. P. Morgan.

Throughout the nation the Dekes are known for their ability to have a good time and for giving the best parties. The Dekes on this campus are no exception. The fraternity especially looks forward to their Christmas Party and their Spring Formal. But party time is not the only occupation. During the year the Dekes sponsor various service projects, one of which is their Christmas Party for underprivileged children.

The founding fathers established the fraternity to prepare men for effectual living and for usefulness to the community. Each Deke member strives to live up to the standards set by the founding fathers and to inculcate a desire for the better things in life, in themselves and those around them.

PHI CHAPTER OF

DELTA PSI

In 1847, at Columbia University in New York City, Delta Psi was founded. They started a chapter on the Ole Miss campus in 1855. Even though the Delta Psi's were the second fraternity established on the campus, they were first to erect a fraternity house at the University, and in the state, for that matter.

Their fraternity colors of azure, blue and gold were brought with them and are used, whenever possible, for decoration.

The fraternity is unique in that it does not disclose the names of its officers. This is just one phase of their concept of secrecy. They feel that this secrecy serves as a bond to unite the members of the fraternity. Another tradition of

Delta Psi is that of not allowing the back of their pin to be seen. To protect against this, they are required to wear their pin at all times while they are an active member.

One of the highlights of the year is when "The Saints Go Marchin In" is heard at the Delta Psi Spring Formal. The Delta Psi's have just recently started a new tradition when they renamed their formal the Saints and Angels Ball.

In its years on the campus, Delta Psi has strived to make leaders of its men. To find evidence of their success, one needs only to look at the list of alumni in order to find the names of former Governor Hugh L. White, Representative Will Whittington, and Speaker of the House Walter Sillers.

ALPHA UPSILON CHAPTER OF KAPPA ALPHA ORDER

On December 21, 1865, a group of Confederate soldiers at Washington and Lee in Lexington, Virginia, banded themselves together under the name of Kappa Alpha Order. The founders, under the leadership of James Ward Wood, chose as their flower the rose and as their colors crimson and old gold. Robert E. Lee, the spiritual father, is held in reverence by all KA's. The aim of the fraternity was to train young college men to cherish the southern ideal of character by honoring and protecting pure womanhood, practicing courtesy and self-control and preferring self-respect to ill-gotten gain.

Since the time of founding, the Kappa Alpha Order has

expanded into over 83 active chapters, all below the Mason-Dixon Line, and has a membership of over 48,000 men.

The Alpha Upsilon chapter was established on the University of Mississippi campus on January 12, 1900. Since that time the Kappa Alpha's have produced leaders in all phases of campus life.

Every spring the Kappa Alpha's get out their gray uniforms and sabers to be in full dress for their Old South Ball, which is one of the highlights of their social calendar. But while waiting for spring, they begin their fun with the Hayseed Party, Beachcomber Party, the Rose Ball and numerous get-togethers at their ante-bellum home.

DELTA XI CHAPTER OF

KAPPA SIGMA

Being founded in Italy at the University of Bologna in 1400, the Kappa Sigs proudly boast that they are "older than the United States"—a unique statement for a National fraternity. The fraternity came to the United States from Italy in 1869, and on December 10th of that year the first American chapter was organized at the University of Virginia.

The scarlet, white, and green of Kappa Sigma came to Ole Miss in 1926 and brought the lily of the valley to charter Delta Xi Chapter. It is now one of 129 chapters embracing 45 states and two Canadian provinces.

In the thirty-seven years on campus, Kappa Sigma has been important in every activity and is justly proud of its campus reputation of having the best parties.

Delta Xi enjoys a well-rounded social whirl each year with their Founders' Day Banquet, Stardust Ball, Theme Party, Houseparties, and their underprivileged Children's Christmas Party.

Kappa Sigma embodies the finest tradition of brotherhood and steadfast allegiance, characterized by Jefferson Davis, who in later life became a brother.

The chapter has endowed the state and nation with Rhodes Scholars, a governor, and many competent business and professional men.

This year the Kappa Sigmas have been busy with the plans for their new home. The Georgian structure will be located on Fraternity Row and will provide a new setting for their various activities.

MISSISSIPPI ALPHA CHAPTER OF PHI DELTA THETA

On December 26 Phi Delta Theta completed one hundred fourteen years of uninterrupted existence. These years have performed a miracle of growth and achievement far beyond the fondest hopes of the first Phi's who gathered around Phi Delta Theta's altars. Little did they dream that one day the fraternity's chapters would be found in 48 states of the United States, in six provinces of Canada, and in Nova Scotia. The groundwork so carefully laid by the immortal six founders has resulted in 123 active chapters. Since its founding at Miami University, Oxford, Ohio, in 1848, more than 80,000 men have signed the Bond of Phi Delta Theta.

Besides leading all other fraternities in the number of members selected as Rhodes Scholars and All-American football players, Phi Delta Theta has had prominent mem-

bers in every field of endeavor, including the Presidency of the United States. Since its founding on the Ole Miss Campus, in 1877, this chapter has maintained its high standards and produced many leaders at the University.

For two consecutive years Mississippi Alpha of Phi Delta Theta was awarded the Founders' Trophy which is given to the most outstanding Phi chapter in the nation. Selection is based on excellence in scholarship, service, and campus leadership.

PDT also excels in social life, and entertains frequently with such events as the Ivy League Weekend, and various "Over the Hump" parties. An annual occasion is the Blue and White formal which is held in the Spring. The Phi Delt's claim as their national flower the white carnation.

ALPHA SIGMA CHAPTER OF PHI EPSILON PI

On the twenty-third of November, 1904, at the College of the City of New York, the founding of Phi Epsilon Pi took place. The Founders established the fraternity with the purpose that the members stress first scholarship then extracurricular activities and fraternity. The organization has grown to its present membership of over 22,000 with 49 active chapters, and 45 alumni associations. With its main offices in Philadelphia, Pennsylvania, the Phi Eps have chapters in all the leading universities.

Alpha Sigma chapter came to Ole Miss on the 16th day of February, 1935, and has been active on the campus for twenty-two years, during which time Phi Ep has given

the University many campus leaders. Doug Lewis, a local Phi Ep, is now serving as Editor-in-chief of OLE MISS, the yearbook. Serving the nation as well as the Ole Miss campus, the Phi Eps claim as members of their fraternity such distinguished national figures as Joseph Altman, Mayor of Atlantic City, and Col. William Friedman, Chief of Army Signal Intelligence Service.

Entertaining with various informal parties throughout the year, the Phi Eps highlight their social activities with a "bermuda" party at Rebelee.

The Phi Eps' colors are purple and gold, and the fraternity flower is the white carnation.

MISSISSIPPI ALPHA CHAPTER OF PHI KAPPA PSI

Phi Kappa Psi was founded at Jefferson College in Pennsylvania in 1852. Mississippi Alpha was established five years later, making the Phi Psi's one of the first fraternities at Ole Miss.

The colors of the fraternity are Cardinal Red and Hunter Green, and the flower is the Jacqueminot Rose. There are sixty-two chapters throughout the United States joined together under the shield of Phi Kappa Psi.

Activities on campus are not limited to the fraternity itself. The brothers take part in Dixie Week, Homecoming, Rebelee, student government, and other phases of campus life. A true sign that Phi Psi's are proud of their "Noble

Fraternity" is shown at Christmas when the chapter helps to provide a bit of the Season's cheer for those less fortunate.

The Phi Kappa Psi's at Ole Miss add to their college life by staging a number of informal parties and dances as well as the annual Jacqueminot Ball in the Spring. Realizing that all play makes a poor student, the Phi Psi's promote better scholarship among their members.

Phi Kappa Psi has provided many leaders in government, commerce, sports, and the arts. The boys point with pride to Woodrow Wilson, who embodied the ideals of the fraternity. Mississippi Alpha, after being in the Magnolia State over a century, has alumni in all sections of the state.

GAMMA IOTA CHAPTER OF

PI KAPPA ALPHA

The Pi Kappa Alpha Fraternity was founded on March 1, 1868, at the University of Virginia, Charlottesville, Virginia, by a group of six Confederate veterans. These men bound themselves together in a common cause with a comradeship cemented by the rigors of war and mutual devotion. Since that time Pi Kappa Alpha has steadily increased its membership and is now one of the five largest fraternities in the United States. The chapter on the Ole Miss campus was founded in 1927. Garnet and gold are the colors that were chosen by the six founders who also chose the lily of the valley as the fraternity flower.

To insure that its members do not forget the primary aim of a social fraternity, the Gamma Iota chapter has its

annual Dream Girl Ball at which they announce the identity of their sweetheart, the Dream Girl of Pi Kappa Alpha. Other parties for which they are well-known on the campus are the date suppers, informal dances, and parties for the Tri-Delts, their little sisters.

The Pikes are vitally interested in school affairs, which is demonstrated by the fact that there is no position of leadership on the campus which a member of this fraternity has not filled at one time. A highly regarded member of the fraternity system, Pi Kappa Alpha is a solidly established brotherhood, with strong chapters in the best American colleges and universities throughout the land.

GAMMA CHAPTER OF SIGMA ALPHA EPSILON

The first Southern fraternity, Sigma Alpha Epsilon was founded on March 9, 1856, at the University of Alabama by a group of eight close confederates. Since that time it has grown to be the largest national college fraternity in the United States. SAE is noted for fostering the Interfraternity Council, establishing the first national leadership headquarters building, Levere Memorial Temple at Evanston, Illinois.

Gamma chapter was established at Ole Miss in 1866, by L. Q. C. Lamar. Since that time SAE's have always represented Ole Miss in scholarship, leadership, and character. In just about every phase of campus life you are sure to find at least one, maybe several, SAE's.

Purple and gold are the fraternity colors, and their song boasts of the fraternity flowers, violets. Despite all of the paint and blasting, Minerva's faithful attendants, the lions, are still perched on the SAE lawn looking solemn and unfazed. It has been rumored that the SAE's have parties, but no one is quite certain whether they are planned or just spontaneous outbursts celebrating the removal of another coat of paint.

Every year the SAE's can be heard chanting "We've all been workin' on the chain gang" as they all don their stripes for the annual convict party. In the spring the cell mates become shipmates for the Shipwreck Party.

ETA CHAPTER OF

SIGMA CHI

The founding of Sigma Chi Fraternity took place at Miami University in Oxford, Ohio, during June, 1855. Sigma Chi was the third fraternity to be founded at Miami and completed at the famous "Miami Triad." The fraternity was founded by seven men from different walks of life with different personalities, yet having the same high ideals. Since that humble beginning, one hundred and seven years ago, Sigma Chi, like its founders, has risen to success in many fields of endeavor. The Constantine Chapter of Sigma Chi was formed during the late part of the Civil War to perpetuate the fraternity in the South. This chapter has served as a model for chapters formed all over the world in times of war by many fraternities.

Eta chapter, one of Sigma Chi's greatest, was established at the University in 1857, and since that time, has consistently produced its share of leaders in every phase of campus life. On the national scene are many well-known alumni, such as the award-winning creator of Steve Canyon, Milton Caniff. Sigma Chis also point with pride to astronaut Walter Schirra who piloted his Sigma Seven, named for the fraternity, around the globe four times.

The men of Sigma Chi enjoy a gala social season highlighted by such parties as the Redneck and Suppressed Desire parties. They end the year with the Sweetheart Ball which is decorated with their colors of blue and gold and with their flower, the white rose.

EPSILON XI CHAPTER OF

SIGMA NU

Sigma Nu, originally known as the Legion of Honor, was founded January 1, 1869, at the Virginia Military Institute. Since its founding, Sigma Nu has grown into one of the nation's leading social fraternities with 127 chapters in 46 states and Canada, and a membership of over 70,000 brothers united for the perpetuation of its fine purposes.

Certainly fundamental in its growth are the aims which are expressed in the Sigma Nu Creed, "To believe in the life of love, to walk in the way of honor, to serve in the light of truth, this is the life, the way, the light of Sigma Nu . . ."

Epsilon Xi chapter received its charter in 1927, and has enjoyed a very active life on the University campus since that time. Distinguished alumni include George Healey, Editor of the Times Picayune; George Payne Cossar, Mis-

sissippi House of Representatives; and Baxter Wilson, President of the Mississippi Power and Light Company.

The many trophies held by the men of Sigma Nu show their prominence and participation in intramural and outside activities. Also, the well-known Sigma Nu school spirit is unequalled by any other group. They have one of the largest, newest houses on the campus, equipped with an indoor swimming pool which is the envy of all the fraternity men.

The "Snakes" enjoy an interesting variety of parties including their Roaring Twenties, Redneck, and Beachcomber parties, and the traditional White Star Ball, at which they proudly display their colors of gold, black, and white, and their flower, the white rose.

MISSISSIPPI ALPHA CHAPTER OF SIGMA PHI EPSILON

Sixty-two years ago at Richmond College in Richmond, Virginia, twelve divinity students met once a week to share each other's company. From this brotherhood grew Sigma Phi Epsilon—The Fraternity with the Heart. "Brotherhood is free and begins and ends with the Heart: we enjoy a true brotherhood."

To develop the whole man is the goal they strive for, to make him a wholesome addition to society. Sigma Phi Epsilon achieves this by working closely with the University and filling the social and spiritual needs of each member.

The chapter is presently enjoying its thirty-fifth year at Ole Miss. It was installed on this campus in 1928 and in the subsequent years has graduated many important lead-

ers. Among them are numerous national figures: congressmen, legislators, planters, authors, educators, lawyers, doctors, and leaders in every field.

Sigma Phi Epsilon is now the second-largest fraternity in the United States in number of chapters. There are 149 undergraduate chapters located in 45 of the states. Colors of the Sigma Phi Epsilons are purple and red; their flowers are violets and American Beauty Roses, which they display at the annual Queen of Hearts Ball held in the Spring. Other big social occasions are the French Apache, Hawaiian, and Country parties. The Sigma Phi Epsilons serve the community and at the same time delight youngsters' hearts with a Christmas Party for Underprivileged Children.

BETA MU CHAPTER OF

Four students at Vincennes University, Vincennes, Indiana, met on February 26, 1897, and founded Sigma Pi Fraternity. The objectives of Sigma Pi are to establish a brotherhood of, and for, college men; to promote scholarship; to advance truth and justice; to diffuse culture; and to encourage chivalry among men. Through a well-balanced program of social events and many other activities, Sigma Pi aims to make for better citizenship, prepare its members to cope with the problems of life, and instill within them an appreciation of life's real values.

The Sigma Pi badge, symbolic in all respects, is a Greek cross of gold, bearing a raised oval of blue enamel with an emerald at its center between the Greek letters for Sigma and Pi. The arms of the Sigma Pi Greek-cross badge display respectively a scroll, a balance, a wreath, and ten stars

arranged as a triangle. The pledge button is purple, shaped like a shield, and bears a white Greek cross.

National recognition seems to be one of Sigma Pi's notable characteristics. A man such as Will Kipling, a well-known news correspondent in Washington, D.C., proves that Sigma Pi men are outstanding in all walks of life.

Not forgetting their obligations to their fellow man, the Sigma Pi's through their service projects have become affectionately known as "big brothers" to local underprivileged children.

To add a special lilt to their festive social events, the ten-year-old Beta Gamma Chapter engages in an Orchid Ball and a Shipwreck party. Their colors are lavender and white, and the flower is the lavender orchid.

MISSISSIPPI CHAPTER OF PHI KAPPA THETA

Phi Kappa Theta became the new national Catholic fraternity in September of 1958 by the merging of two smaller fraternities, Theta Kappa Phi and Phi Kappa. In May of 1959 this chapter, formerly Theta Kappa Phi, proudly assumed the name of Mississippi Chi of Phi Kappa Theta.

In 1951, this chapter was established on the campus of the University of Mississippi. Since its foundation date, Chi has endeavored to provide a complete education for the Catholic university man by offering an organized spiritual, scholastic, and social life to its members.

In accordance with the Phi Kappa Theta fraternity spirit, each member tries always to manifest a public spirit and lively interest in all that concerns the life and welfare of the school. Phi Kappa Theta's official flower is the red rose and its colors are red, gold, and cardinal purple.

JUNIOR INTERFRATERNITY COUNCIL

This organization is composed of two pledges from each fraternity. These representatives are selected by their individual pledge classes and serve for the entire year. The council is also composed of two representatives from the Senior Inter-Fraternity Council who are elected to serve as advisors of Junior IFC for organizational purposes.

The purpose of the Junior Inter-Fraternity Council is to instill in its membership the principles of the fraternity system. In doing this, the representatives may give to their individual fraternities an incentive to improve standards, thereby cultivating a better environment where manhood may flourish. The council also acts as a service organization, carrying out projects designated by the Senior Inter-Fraternity Council.

DELTA SIGMA CHAPTER OF

ALPHA DELTA PI

Alpha Delta Pi, as the first secret sisterhood for college women, celebrated its 100th anniversary of founding in 1951. Appropriately enough, the sorority had its birthplace at Wesleyan Female College, Macon, Georgia, oldest women's college in the world, and the first of such institutions to grant academic degrees to women. From the day of its founding the sorority has been bound by the covenant that only girls could be taken into the membership who "may commend themselves for their intellectual and moral worth, dignity of character, and propriety of deportment."

Delta Sigma of Alpha Delta Pi came to the Ole Miss campus in 1960, and has made such progress since that time. They are proud of the fact that they, as members of

a new chapter, are having the privilege of building the foundation on which other chapters will be established.

Alpha Delta Pi has 105 collegiate chapters in leading colleges and universities throughout the United States and Canada, and its total membership makes it one of the largest sororities in the National Pan-Hellenic.

With headquarters now in Hefley Hall, the ADPI's are planning the construction of a chapter home in the very near future.

Alpha Delta Pi's colors are blue and white, its flower is the violet, and its pin is diamond-shaped and bears clasped hands.

NU BETA CHAPTER OF

ALPHA OMICRON PI

On January 2, 1897, Alpha Omicron Pi was founded at Barnard College of Columbia University, New York, by four college women. There are now 84 chapters which honor a Jacqueminot rose as their flower and cardinal red as their color. The sorority jewel is the ruby and the flag is a cardinal banner with the white letters A O Pi. The AOPi's are the only sorority that has entirely Greek symbolism. The colony was established on the campus in 1957 and was installed as the first chapter in Mississippi in 1958.

The AOPi's have been busy establishing their standards in scholarship, character, integrity, and active campus participation. Their Rose Tea during rush begins the year of social activities which includes date suppers, record

parties, spring picnics, and the Rose Ball. These many get-togethers all go toward instilling a closer feeling of friendship and loyalty among the girls of AOPi.

In 1931, AOPi voted to support a social service department of the Frontier Nursing Service as a unified National Philanthropic Service. Locally, the AOPi's extend the philanthropy services by having a Christmas Party and Easter Egg hunt for underprivileged children.

Nu Beta chapter, now residing in Ricks Dormitory, is anxiously awaiting the completion of their permanent residence. The modern structure, which will be completed this year, will be the first home on the new sorority row and will house between 45 and 50 girls.

TAU CHAPTER OF

CHI OMEGA

Chi Omega was organized at the University of Arkansas, April 5, 1895, by five women students. They were assisted in planning their organization by Dr. Charles Richardson, Kappa Sigma, who, in consideration of this service, was made the sole honorary member. From the beginning, its membership has grown to include now over 80,000 women, the largest membership of any national sorority. Under strong national leadership, Chi Omega has spread throughout the country and recently installed its one-hundred-thirty-second active chapter.

The underlying principles of Chi Omega's development are that it is a group of friends at the college level of intelligence; that such a group stimulates creative abilities upon which the quality of a civilization depends; that such

a group must aid in the preservation of the freedoms essential to the development of the individual; but that such individuals should balance intelligence by experience in the social setting of a group of friends.

Along the party lines the Chi O's entertain with Eleusian Banquets, Christmas parties, slumber parties, an annual formal, and numerous date suppers. They are also busy with plans for a new chapter house which is to be completed by the beginning of the '63 school year.

The ideals of scholarship and service are held high, and Chi Omegas are justly proud of their members who have distinguished themselves in both campus and public life. The colors of cardinal and straw and the white carnation are familiar to all who wear the X-and-Horseshoe pin.

CHI CHAPTER OF

DELTA DELTA DELTA

In 1904 Chi chapter of Delta Delta Delta was established on the Ole Miss campus. The crescent moon and stars with the colors silver, gold, and blue were selected by the founders at Boston University in 1888. Since its founding Tri Delta has expanded into one of the largest of the 31 National Panhellenic groups, with 105 chapters in the United States and Canada, and a membership of over 65,000 young women.

The three D's in Tri Delt seem to have been the charm for Chi chapter. Or perhaps it is their sheer ingenuity and true sisterhood which have put them among the tops on Sorority row. The Tri Deltas are active and, as their

honors prove, successful in every phase of campus life.

The coeds start off the year by entertaining rushees with a Kiddie Party. Founders Day is celebrated during the Thanksgiving season and the Pine Party is enjoyed at Christmas. In the spring, alumnae return for the Pansy Breakfast, and the annual spring formal highlights the year's social activities.

Delta Delta Delta is a sorority devoted to the principles of friendship, love, and sisterhood. Membership in Tri Delta carries with it the joy of high endeavor, and the pleasure of close associations which result in lifelong friendships.

ALPHA PSI CHAPTER OF

DELTA GAMMA

In Oxford at the Lewis School in January, 1874, Delta Gamma was originally founded. The Alpha Psi chapter at Ole Miss was established in 1936. Delta Gammas everywhere honor the cream-colored rose and wear the colors of bronze, pink, and blue. The fraternity has now expanded so that it includes 90 college chapters, 249 alumnae groups, and a total membership of 52,000 women. One of the outstanding features of the Ole Miss Delta Gamma Chapter is the Memorial House, which was dedicated to the Founders in 1938. Since then its size has been increased and a room added as a special memorial to the Founders.

The Delta Gammas start off their social activities when they entertain the rushees with a Dreamland Party. Dur-

ing the rest of the year, entertainment is provided with affairs such as date suppers, open houses, the annual Christmas dinner for campus hostesses, and the Christmas Dance. On March 15, the Delta Gammas celebrate Founder's Day with a banquet and group church attendance. Annually the Delta Gammas have their Silver Tea, benefits from which are given to their foundation for Sight Conservation and Aid to the Blind.

The girls who wear the golden anchor know that the true meaning of Delta Gamma runs far deeper than surface appearance. Delta Gamma is a sisterhood, bound closely together by ties of love and faith. That is the memory that lingers when college has ended.

ALPHA MU CHAPTER OF

KAPPA DELTA

Four young college women at Longwood College in Farmville, Virginia, founded Kappa Delta on October 23, 1897. Today there are 100 chapters which hold in reverence the white rose and the colors emerald and pearl white. The four primary objectives of Kappa Delta are sisterhood, scholarship, social interest, and service. These have been expanded and strengthened by many thousands of loyal college women who have formed their closest ties within its bonds and found self-expression in building its organization. In the close relationships between Kappa Delta members and pledges today, they strive to meet sisterhood and scholarship ideals.

Social activities are an important part of Kappa Delta. These girls entertain with date suppers, pledge parties, and

informal dances. Most important, however, are the Spring Formal, Founders Day Banquet, and White Rose Banquet.

Since 1921, National Kappa Delta has done extensive philanthropic service. Especially important is the help given to the Crippled Children's Hospital in Richmond, Virginia. On the local level Kappa Delta has done many social projects such as having a Christmas Party for underprivileged children and also sending a child to kindergarten each year.

A Kappa Delta Lady is a composite of widely varying interests and talents in her attempt to strive for "that which is honorable, beautiful, and highest." KD's are found in all religious, scholastic, and honorary organizations.

DELTA RHO CHAPTER OF KAPPA KAPPA GAMMA

Easily recognized by their golden key, the wearers of the light and dark blue arrived at Ole Miss sixteen years ago to establish Delta Rho Chapter of Kappa Kappa Gamma. It was founded at Monmouth College, Monmouth, Illinois, by four women students who aspired to a Greek-letter fraternity "like the Men's." October 13, the date of their first group appearance in the college chapel, is observed as Founder's Day. Kappa Kappa Gamma has expanded now to include 86 collegiate chapters.

Throughout the year the chapter keeps busy with various social activities, such as teas for their housemother, open houses for pledges, as well as various date suppers and fraternity banquets. At Christmas they make an annual event of the Faculty Tea and a party for underprivileged

children.

At the present time Kappas are anxiously watching construction on the new wing to their already large and lovely home. Its completion will make their house the most ample on the campus, housing 40 members. However, they believe that it is only a skeleton of something intangible and much more valuable. "The mighty heart of our Kappa home is the culmination of efforts of many girls to live in harmony and sisterly love. This is the force which ties us all together . . ."

Kappa pays homage to their colors, light and dark blue; their flowers, the fleur-de-lis; and their jewel, the sapphire, all of which are displayed at their spring formal, highlighting the yearly social calendar.

ALPHA DELTA CHAPTER OF

PHI MU

Phi Mu was founded as the Philomathean Society at Wesleyan Female College, Macon, Georgia, on March 4, 1852, thus becoming the second-oldest sorority in the country. The Alpha Delta chapter was established on Rebel territory in 1924, the third sorority to come to the Ole Miss campus.

Phi Mu excels in social activities on the Ole Miss campus. They have many open houses, date suppers, dances, the Founder's Day Banquet, and Faculty Teas. Another important function of the Phi Mu's that has special meaning during the Holiday Season is the dinner that they serve in honor of foreign students on campus. By doing this, the Phi Mu's create an excellent contribution toward increasing a greater understanding between Ole Miss students and our foreign students. These represent just a few of the

events that flourish at the Phi Mu House throughout the year.

The women of Phi Mu have always held a ranking position on the University campus, participating in every activity available to women students—as their honors reveal. Looking ahead to the increasing enrollment at Ole Miss, the Phi Mu's are making big plans for the enlargement of their house at the top of sorority row. The Castle, as always, will provide a spacious home away from home for the future members of their sorority.

Phi Mu holds an important spot in each member's heart. The warm congeniality that is always found in the Phi Mu Castle will forever provide moments of wonderful memories to each girl that enters into the band of womanhood of Phi Mu.

GAMMA CHAPTER OF

PI BETA PHI

On April 28, 1867, at Monmouth College, Monmouth, Illinois, the first organization of college women with the aims and policies of a national fraternity was founded. This sorority was Pi Beta Phi. Presently, the sorority has over one hundred active chapters located at the leading colleges and universities in the United States and Canada, and has nearly three hundred alumnae clubs, and over sixty-five thousand initiated members, active and in good standing.

In 1912 a settlement School was started in Gatlinburg, Tennessee, which now offers unequalled educational opportunities for those in the mountain community. With the establishment of the school, Pi Beta Phi was the first Greek-letter organization to have a national philanthropy.

Pi Beta Phi made its debut on the Ole Miss campus in October, 1961. The sorority was officially installed during the middle of March by Mrs. William Mansfield of St. Louis, Missouri, National President, and its first pledges were initiated as active members.

Pi Beta Phi is not an organization of mere social aims, but has stronger purposes—the development of fine character and qualities of leadership, the promotion of worthy scholarship, and service to others.

The pin of Pi Phi is in the shape of an arrow which is ever pointing upward as a symbol of their high ideals. The Pi Phi's have chosen the colors wine and silver blue and hold the wine-colored carnation as their own.

GAMMA DELTA CHAPTER OF ZETA TAU ALPHA

Zeta Tau Alpha is one of the first Virginia-born fraternities for women. On October 15, 1898, nine of the patrician daughters of southern families banded together to forge the first link in a chain that now binds more than 30,000 loyal women together.

Zeta Tau Alpha was not only the first woman's fraternity to be chartered in the state of Virginia, but it was also the first ever to be chartered by a special act of the legislature. ZTA became international in 1929 with the establishment of Beta Rho chapter at the University of Manitoba.

Gamma Delta came to Ole Miss in 1939 bringing along its flower, the white violet, and the colors of steel gray and turquoise blue.

The Zeta's are especially happy this year because of the

complete remodeling of their chapter house, and the adding of a new wing to enlarge its capacity. Completion will enable them to entertain at many more social functions, such as the annual formal and numerous informal get-togethers.

Zeta Tau Alpha gives to every girl who wears the shield a heritage of lifelong privileges and friendships perpetuated beyond the period of college days—"Once a Zeta, always a Zeta." The aim of Zeta Tau Alpha, that of SERVICE, is one of vision, for today no one lives fully who lives selfishly. Zeta's principles of service to its own membership, to those outside the fraternity, and to the community, is manifest in its many scholarships, philanthropic and war-service programs. Zeta Tau Alpha is more than a sorority; it is a way of life.

THE COACHING STAFF

The University of Mississippi coaching staff which has been termed a unique feature is also possibly the most successful team of specialists in the world of amateur sports today. Together they have accumulated 130 victories against 31 defeats and seven ties in 16 seasons, in comparison with 190 games won while suffering 195 losses and 19 ties in Ole Miss' previous 53 years of gridiron participation.

Before the John Vaught family of coaches came to the University there were absolutely no Southeastern Conference football titles at Ole Miss. Now there are five which

is more than any other Southeastern Conference team can outrightly claim.

Another factor that helps in unifying the staff is that all but two of the present staff are Ole Miss graduates.

The staff is composed of head coach John H. Vaught; assistant coaches: Frank M. (Bruiser) Kinard, James E. (Buster) Poole, John Cain, John A. (Junie) Hovious, J. W. (Wobble) Davidson, Thomas K. Swayze, Ray Poole, Roland Dale, and Edward S. Crawford. The trainer is Wesley I. (Doc) Knight, and the equipment manager is W. H. (Billy) Sanders.

On the administrative end are the Faculty Chairman of Athletics, Dr. T. A. Bickerstaff; the Director of Intercollegiate Athletics, C. M. (Tad) Smith; Business Manager of Athletics, Jeff K. Hamm; Assistant Director of Athletics, John Reed Holley; and Director of Athletics Publicity and Publications, Billy Gates.

Head coaches of the other sports are Edward S. Crawford, basketball; T. K. Swayze, baseball; Wesley I. Knight, track; John A. Hovious, golf; and John Cain, tennis.

January 1, 1963—After completion of their first undefeated and untied season in 70 years of football at the University of Mississippi, the Ole Miss Rebels overwhelmed a scrappy bunch of Arkansas Razorbacks to emerge a 17-13 victor in the 29th annual Sugar Bowl Classic.

Although Ole Miss statistically led in practically every category the outcome remained in doubt until defensive linebacker Fred Kimbrall picked off an Arkansas pass with a little more than a minute remaining in the game.

Ole Miss went ahead in the game on a 30-yard field goal by Billy Carl Irwin. Later in the first period Arkansas came back to put three points on the board, also by a field goal.

The Rebels, showing once again their ability and superiority in the game, resurged in a minute and forty seconds to score on a 33-yard pass play from Glynn Griffing to Louis Guy and Billy Carl Irwin again did the kicking to put the score up to 10-3.

A Reb fumble on their own eighteen set up an Arkansas touchdown early in the second half.

One more time the Rebels came back to score. Griffing threw twice to Guy, ran three times and Ole Miss was in control a third and final time. That touchdown march covered eighty yards in only ten plays.

Only another Arkansas field goal early in the fourth period helped to keep the pressure on the Rebs until the closing minutes.

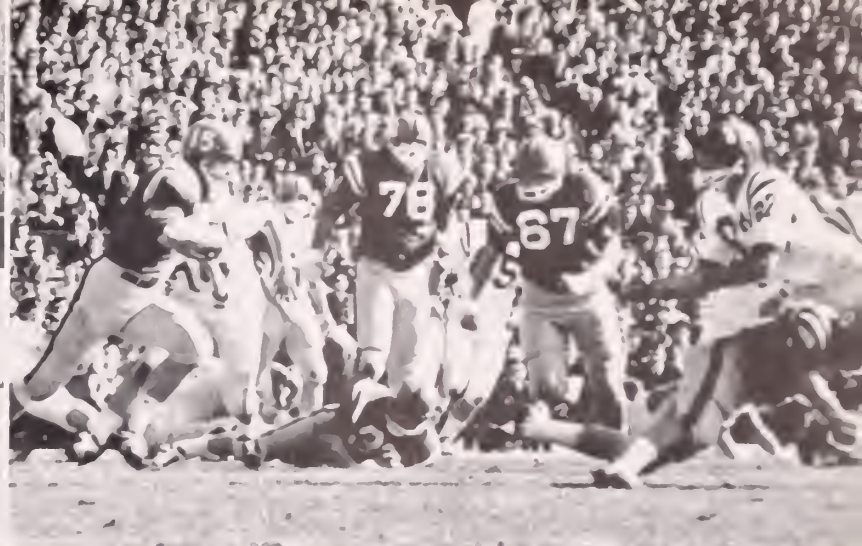

Offensive and defensive standouts were numerous but players such as Glynn Griffing, Bobby Robinson, Jim Dunaway, Dave Jennings, Louis Guy, and Kenny Dill will be remembered for their individual performances.

Look Chuck, I've got a better idea . . .

Mississippi's 1962 football achievements were many, chief among them a perfect-record campaign. Never before—not in 70 years and 63 seasons—had a Johnny Reb team gone without a gridiron blemish of some description.

The 9-0-0 story included the first perfect Southeastern Conference record (6-0-0) and with it Ole Miss' fifth SEC championship. It was a year the Rebels could count as their most rewarding in history.

Advancing from seventh to second in the National Poll Derby, the weekly ratings sponsored by the Associated Press and United Press International, the Rebs finished third in both ballot boxes, and also received a third-place finish in the voting for the Grantland Rice award.

October practice conditions were far from normal. Campus games were banned until the November 10 meeting with little Chattanooga. Rain did all but shelve the October 20 skirmish with Tulane and hampered operations against Tennessee. The big game on which so much hinged, the traditional battle with LSU, was again a top Baton Rouge feature.

There were two All-Americans in quarterback Glynn Griffing and tackle Jim Dunaway, and a third All-Southeastern in guard Don Dickson. The Rebs ranked first nationally in total defense, allowing 142.2 yards a game, and again (for the 10th time since 1943) led the SEC in total offense with 364.4 yards a game, finishing fourth nationally in this category.

It was a season notable for the contributions made by sophomores, with more rookies playing and more rookies in responsible roles than at any time in the recent past.

September 22, 1962—Ole Miss' 1962 season unfolded with a 21-7 victory over fighting Memphis State University.

A five-yard pass from Griffing to Morris resulted in the first Rebel score.

After stopping the Tiger offense, Ole Miss began a touchdown march from their own 44. A series of carries and passes with Griffing, Morris, Jennings, and Dunn making the yardage netted another T.D. Sullivan's kick was good again.

The Rebels came back after the Tigers moved 88 yards to score. Their matchless display of power netted a third T.D. for a 21-7 final score.

OLE MISS 14

KENTUCKY 0

September 29, 1962—The University of Kentucky Wildcats, showing all the determination that could be offered to any team, scored a moral victory the night they traveled to Jackson to play the Ole Miss Rebels.

Although Kentucky was held to a net four yards rushing, their passing combination, Woolm to Hutchinson, poised a potential threat all night. Even considering this, the Rebels continued to maintain their increasing success.

Glynn Griffing eludes a would-be tackler as he rolls out around the right end.

Ole Miss' pass defense held Kentucky to 123 yards passing which was excellent considering their thirteen of nineteen completions.

Ole Miss finished the night with 329 total net yards as compared to 132 yards for Kentucky.

The only two scores for Ole Miss came on a four-yard run by Glynn Griffing and a six-yard run by A. J. Holloway. Wes Sullivan converted for both extra points.

October 6, 1961—Playing before a transplanted Homecoming crowd of only 18,000 loyal Rebel fans, Ole Miss rolled over rival Houston 40-7 for the tenth time in as many tries.

Senior quarterback Glynn Griffing and senior wingback Louis Guy teamed up for three aerial touchdowns to give the Rebels a 21-0 halftime lead over the Texans. End Wes Sullivan contributed all three extra points.

After the crowning of Miss Diane Klyce as the 1962 Homecoming Queen, the Rebels returned to complete their devastation. Griffing's 22-yard scoring pass to end Reed Davis tied a S.E.C. record set by a past Rebel, Charley

Conerly, for the most aerial touchdowns scored in a single game.

Fullback Fred Roberts ripped off 13 yards late in the third quarter for the fifth score.

Future pitch and catch combination quarterback Jim Weatherly and end Allen Brown got together for the final score of the game with a 27-yard pass from the outstanding sophomore quarterback.

Other standouts in the game were fullback Perry Lee Dunn who carried nine times for 54 yards. End Woody Dabbs, tackles Waley Hall and Jim Dunaway, and guards Bobby Robinson and Don Dickson provided a core for the unyielding Rebel defense.

Hoddy Toddy . . .

Weatherly rolls out to throw another strike.

October 20, 1962—Playing at Memorial Stadium in Jackson for the third straight weekend, the Ole Miss Rebels remained undefeated with a 21-0 victory over Tulane.

Although the Rebels were strong pre-game favorites, the weather became an equalizer, as it did seven years before when Tulane staged an upset. Ole Miss backs, who depend on their remarkable speed, were virtually slowed to a walk by the insistent rain. It provided more opposition to Griffing's passing than the Tulane defense.

Ole Miss could not start a sustained drive until just before the half. Hundreds of fans were leaving when pass interference against Tulane made it first and ten Ole Miss at the Green Wave fifteen. Griffing wasted little time in passing to end Woody Dabbs for the initial score.

In the third quarter, the same combination of a pass-interference call and a Griffing-to-Dabbs pass made the score 14-0. Jim Weatherly's pass early in the fourth period completed the Rebel scoring.

October 27, 1962—As Vanderbilt Coach Art Guepe stated after the end of the game, "the Rebels simply had too much speed for us." That was the consensual opinion of all who witnessed the traditional massacre of the Commodores.

Ole Miss scored the first time they moved the ball in the first quarter and extinguished any other Vanderbilt hopes in the second quarter with a three-touchdown barrage.

The second half started quickly with the Rebels moving the ball on the ground and grinding out yardage although not scoring.

The final Ole Miss touchdown came on a two-yard plunge by Jim Weatherly to bring the score to 35-0 in favor of the Rebs.

Vanderbilt, although playing better than the final score indicates, could not match the power, speed, and depth of the winning Rebels.

OLE MISS 15

L. S. U. 7

November 3, 1962—The place was Tiger Stadium, deep in the heart of Louisiana. Our purpose—"Beat the Tigers." That is just what we did.

Ole Miss had not won a game in Tiger Stadium since 1956. But this was 1962 and the Rebels had power plus.

Completely dominating play in every phase of action, Ole Miss rolled up an overwhelming 393 yards in total offense as compared to a meager 107 total yards for L.S.U.

A. J. Holloway, Louis Guy, and Wes Sullivan demoralized the Tigers with two touchdowns and a field goal. The impact of these scores will long be remembered by every fan and most assuredly by those who called the Rebels "Tiger Meat."

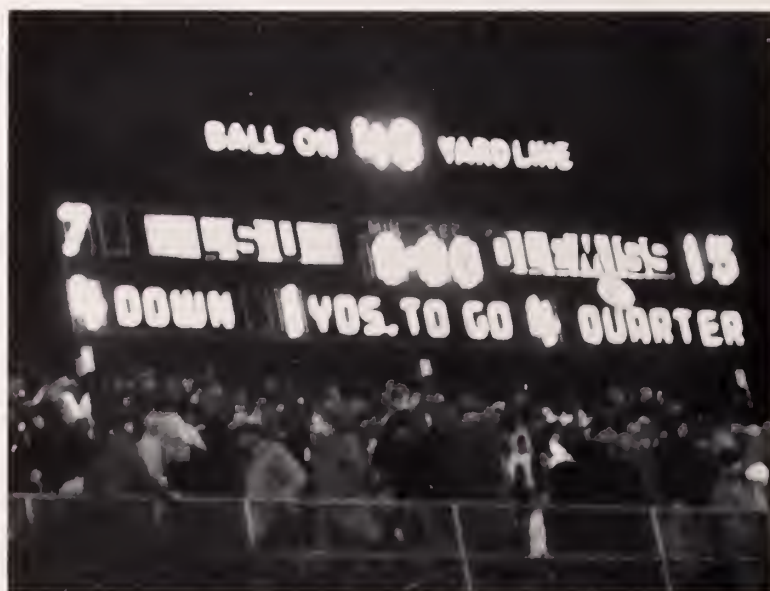

A deciding factor was Glynn Griffing's running and passing. The accurate ball-handler had been held back all season to make sure he sustained no damaging injuries. It was not the same at L.S.U. Griffing, playing probably one of the best games in his collegiate career, ran and passed Ole Miss up and down the field with the fury of an unleashed tornado.

Praise could not be too high for any Ole Miss participant. Every player took his task and performed to his utmost abilities. In a game which was dedicated to "Doc" Knight, the Ole Miss trainer, a better outcome could not have been asked for by him or Coach Vaught and his staff.

Wes Sullivan adds three points with a field goal.

Ole Miss collected a record 31 first downs and 545 scrimmage yards by land and air in adding Chattanooga to its 1962 collection, 52-7.

In their first campus game of the season, the Rebels were out front by 37-7 after two quarters with a total of 15 backs carrying 69 times for 454 land yards and four passers completing five of nine attempts for 91.

Infantry touchdown went to Louis Guy, wingback Larry Johnson, fullback Frank Kinard, Buck Randall, Chuck Morris and quarterback Bobby Boyd. Glynn Griffing, who completed four of four passes, targeted Dave Jennings for 32 yards and the touchdown behind Johnson's six points. Scoring marches covered 56, 39, 78, 39, 68, 31 and 58 yards. The Mocs contributed two safeties to the Rebel cause.

The 1962 win over Chattanooga gave the Rebels a nine-to-one edge in the series which began in 1945. Their lone touchdown in the game marked the first time since 1953 that they have scored on the Rebs.

OLE MISS 19

TENNESSEE 6

November 17, 1962—In a game that started out to be a rout by the Rebels, Ole Miss almost came out on the losing end. Only a 52-yard run by Chuck Morris, a 100-yard return of an intercepted pass by Louis Guy, and Glynn Griffing's passing kept the Rebels on top.

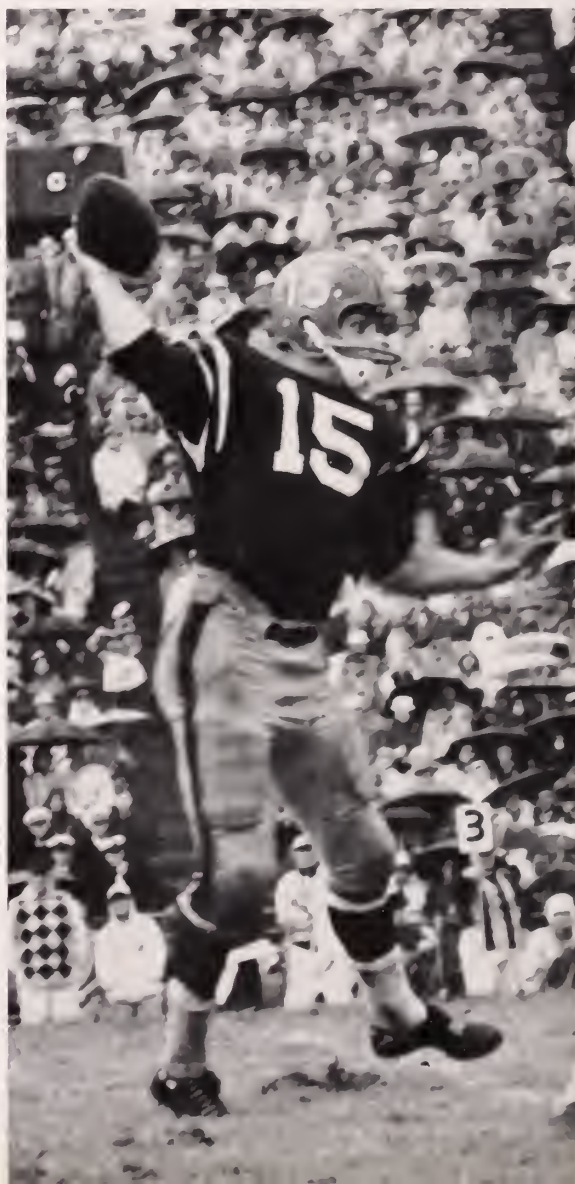

Tailback Chuck Morris took the opening kickoff and raced 52 yards to set up the first touchdown, with Louis Guy carrying a Glynn Griffing pass over for the score. Chuck Morris converted for the extra point.

Then for almost two quarters the Rebels had their hands full in containing a fired-up Vol team. Penalties, rain, and determined defensive play by both teams kept the game on a seesaw basis. Louis Guy brought a halt to this when he intercepted a Mallon Faircloth pass three yards deep in his own end zone and raced 100 yards for another six points.

The fourth quarter started with Ole Miss taking over on a punt and going 54 yards in ten plays for their third and final score.

Tennessee's desire for victory was demonstrated by their "Fighting" for their lone score of the game late in the final period.

Glynn Griffing (15) prepares another one.

An early Mississippi State touchdown and Ole Miss's sluggish attack served to turn the Rebel finale into anything save the predicted walkaway victory.

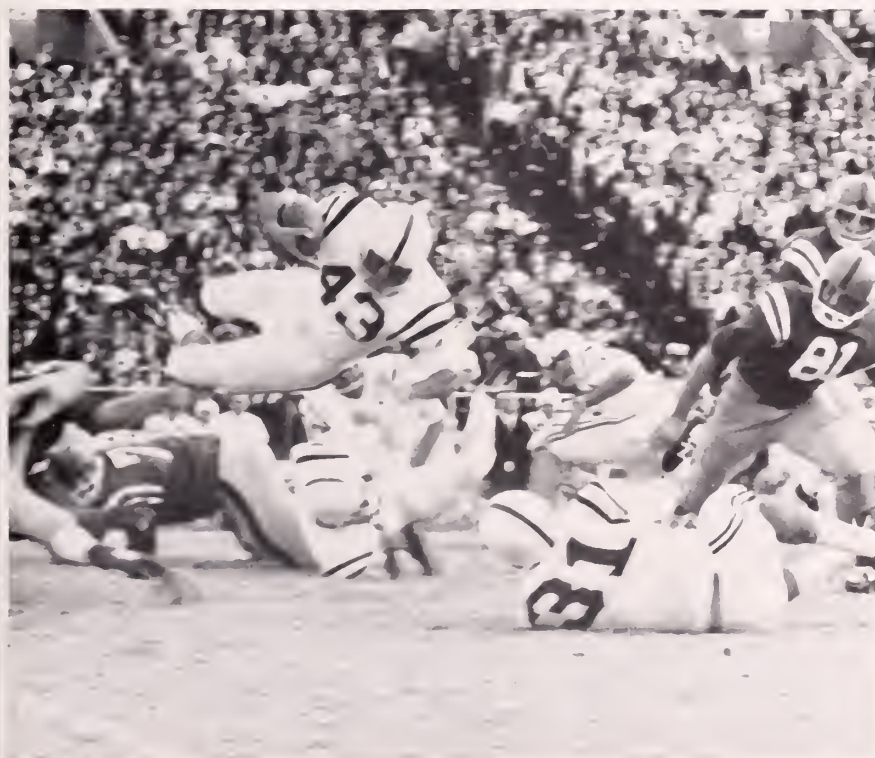

A Mississippi State pass to the Ole Miss three set up the "Necks'" first touchdown early in the first period. From there the Rebels had to battle to the last second of the game to emerge a victor.

An extra point attempt by State that was blocked by Jim Roberts, a touchdown by Louis Guy, and a beautifully executed play by Sophomore quarterback Jim Weatherly gave Ole Miss its well-earned victory. Bill Carl Irwin gave the Rebs their only extra point on his kick.

The victory gave the Rebs their first undefeated season, a sixth bowl trip to New Orleans, a fifth Southeastern Conference title, and their sixth bowl game in as many years.

The Ole Miss freshmen played only two games this year. They played the L.S.U. freshmen in their first game and lost 13-0. Their second game was supposed to be with Vanderbilt but it was rained out. In their third game they played their traditional foe, the Mississippi State freshmen, and lost 14-0.

Although they get some experience playing football on the college level for the first time, it certainly does not indicate the type of playing they will later do on the varsity squad. Their freshman year is spent largely in changing from the single standouts that they were during high school to the polished team players they will be during their remaining three years.

It has been the marvel of many a Rebel supporter to watch the freshmen fumble and make mistakes one year and then turn around the next succeeding years and turn out to be one of the best collections of players anywhere.

The Rebel freshmen fought for three quarters in their game with Mississippi State's freshmen before they allowed a touchdown. Then the bottom fell out and the State freshmen scored another touchdown.

Freshman tailback Mike Dennis led the attack on the State Bullpups with eight attempts rushing for a total of 41

yards gained. Wingback Billy Clay and fullback Joe Malone contributed 29 and 13 yards, respectively, to help carry the rushing attack.

Mississippi State started things by kicking off to the Ole Miss three where it was returned to their 23 by Wells. Mike Dennis gained three, then Brent Caston was thrown for a seven-yard loss. One incomplete pass forced the Rebs to punt with Jerry Stubblefield getting away a timely 63-yard punt. From then until the last of the third quarter neither team could keep the ball on a sustained drive.

Ole Miss was on the State eight-yard line when there was a fumble and State quickly covered it. After the ball changed sides one more time, following another Ole Miss fumble, State quickly marched 66 yards for their first score.

On the following kickoff Dennis took the ball on his own 14 and returned it to his 34. There he fumbled and State recovered. Six plays later State had scored again to give them added insurance.

Time ran out on the Rebels and they still had failed to score.

Although they did not win either of the two games they played, both of them showed the talents of future Ole Miss greats.

OLE MISS BAND

The Ole Miss band, under the direction of Mr. Lyle Babcock, participated in numerous activities during the 1962-63 year.

Among their activities were the performances at half-time at Ole Miss football games, the Sugar Bowl, and assistance in the production "Kiss Me Kate."

The band is composed of four parts, all of which perform for different groups during the year. They are the Marching Band, the Rebelettes, the Concert Band, and the Mississippians.

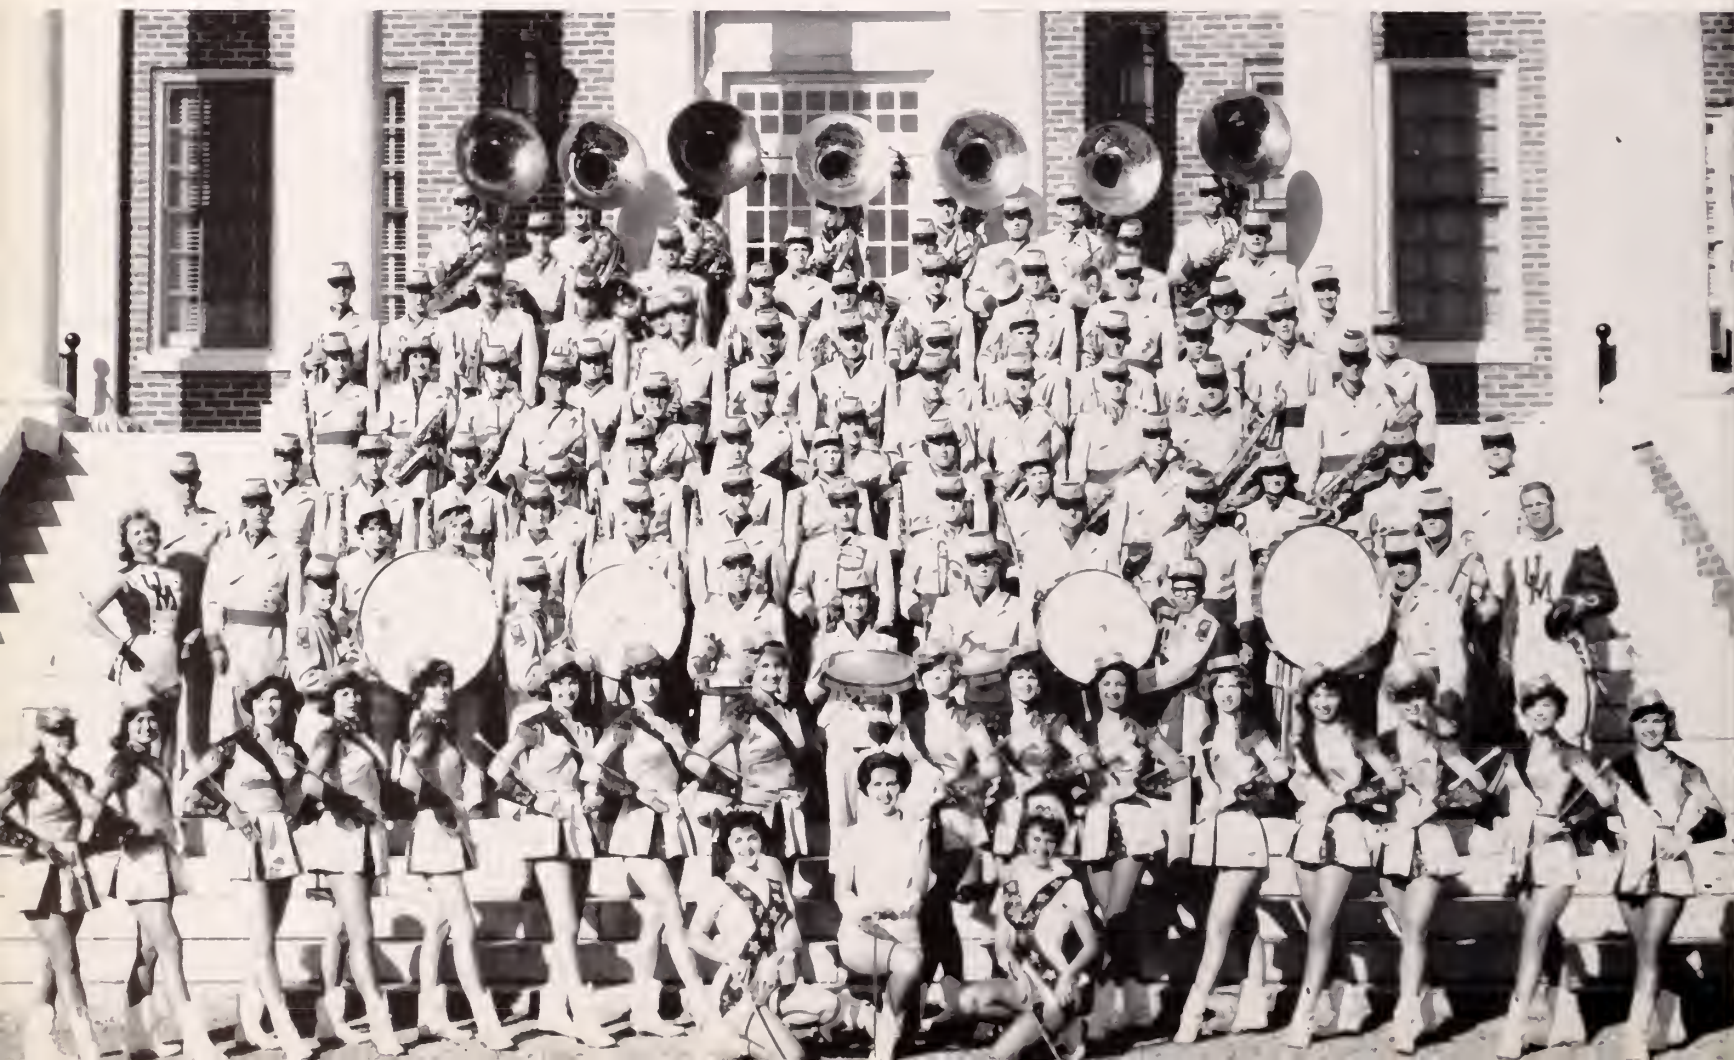

Student leaders of the band are Bill Echardt, Drum Major; Myra Carter, Head Majorette and choreographer; Walter Johnson, student leader; Robert Wilkins, equipment manager; John Jones and Jane Hamon, Librarians.

One of the most unusual features of the season was the use of a rare instrument called a Schelmeinen which is a brass wind instrument from Germany. Students from the University High School in Oxford and Notre Dame High School in Biloxi joined the Rebel Band to perform on campus and at the Sugar Bowl game with the rare instruments. They were used in conjunction with the band's recognition of the foreign students attending the University.

THE REBELETTES

The outstanding Ole Miss Rebelettes, led by the lovely Myra Carter, completed another successful year of half-time spectaculars.

Mississippi has been made famous all over the world by the Rebelettes' intricate performances with the Ole Miss Rebel Band.

One of the highlights of the season was the half-time show over nationwide television at the Sugar Bowl classic in New Orleans.

Choreography for the group is done by head Rebelette Myra Carter. The Rebelettes practice untiringly for each show and gain well-deserved recognition for the talented exhibitions.

Last year the group traveled with the Rebel Band on a concert tour to the principal cities in Mississippi such as Jackson, Greenwood, and Tupelo. The talented young performers have covered many miles this year to boost the Rebels.

The Rebelettes' outstanding showmanship has produced shows to remember for a long time. This group will continue to be a memorable attraction for Ole Miss fans each year.

BASKETBALL

The University of Mississippi's 1962 basketball team poised the biggest threat of any team in the S.E.C. during the last season. Although not winning more games than they lost, they continually put more powerful teams to a test of their ability.

Hopes for a new colosseum at Ole Miss in future years have brought about an increase in the amount of emphasis placed on basketball at the University. Coach Eddie Crawford's initial season as coach of the Rebel roundballers started in a dismal failure then progressed to a point of surprisingly notable success.

The Rebel defense gets set to rebound.

Mel Edmonds drives in for a layup.

"You're blind referee, I never touched him!"

Paced by the hottest shooting pair of guards in the conference the Rebs gained support from their followers and went into their season final with a respectable 5-4 won-lost record for the second half of the year's series.

During the first half of the season the Rebels dropped twelve successive games after winning their first two home games. The Rebs beat Arkansas A & M and Sewanee by scores of 74-60 and 78-64 respectively. Then games were dropped to Louisiana Tech 73-81, Centenary 68-82, Arkansas 60-90, Louisiana Tech 64-68, Memphis State 62-70, Tennessee Tech 71-81, E. Tennessee State 53-61, Alabama 76-80, Auburn 44-79, Georgia 71-73, Vanderbilt 72-79, and Mississippi State 64-78.

In the February 2 series inaugural with Tulane, the Rebs led from start to finish and won 92-84 with Donnie Kessinger setting two new school records for the most

field made (22 for 28) and the most points scored in a single game (49).

Louisiana State was more determined but fell 60-48 before a hot scoring second half in which the Rebs out-distanced the Tigers by a 37-19 margin.

In subsequent action, Ole Miss chased Kentucky to the wire before losing 75-69 in Jackson's new colosseum, beat Tennessee on campus 85-78 and dropped a 76-63 road game to Georgia. After defending conference champion Mississippi State fell to Florida by a 21 point margin, the Rebs followed up to defeat the Gators 72-63 with All-S.E.C. guard Donnie Kessinger pouring in 30 points, 20 in the second half. The victory, which was the first Reb win in Gainesville since 1953, balanced accounts for last winter's turnabout on campus, a last second 63-62 loss, for Florida's first campus win since 1949.

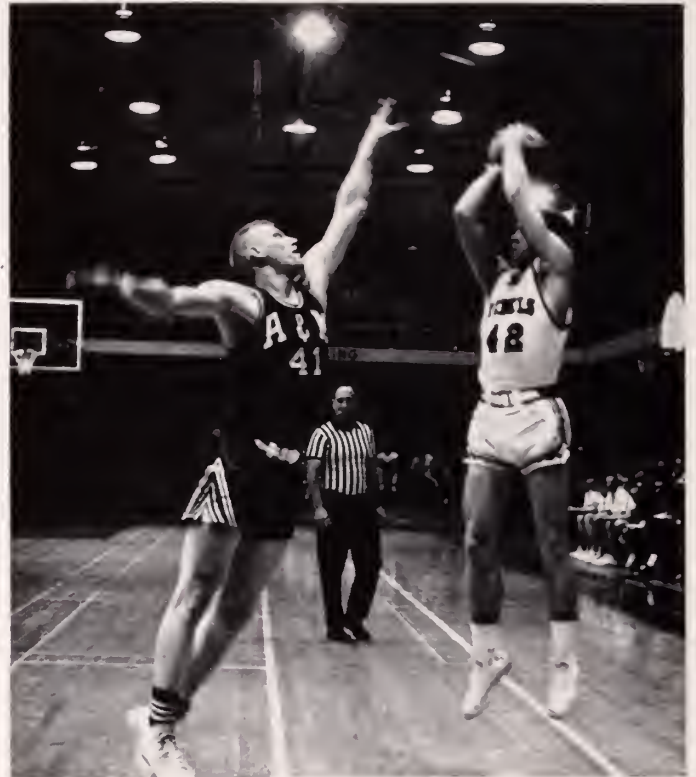

If you don't get out of my way I'm gonna . . .

Jimmy Cox, Billy Lamb, A. G. Nichols, David Finley, Larry Swain. THIRD ROW: Nathan Fisher, Fred Roberts, Jan Adleman, Robert Witty, Doug Elmore, Larry Higginbotham, Bill Atkins, Tommy Farley, and Coach Tom Swayze.

BASEBALL

The 1962 Rebs won 15 of 25 games over-all but, with a rebuilt lineup, finished below .500 in Conference results for the first time in nine years, since 1953, posting a 6-9 record. Mississippi State, the SEC Western Division champions, claimed a series edge for the first time in four years and Alabama for the first time in six years.

Kessinger led the team at bat with a .402 average, in stolen bases with nine; in runs batted in with 15. He contributed three doubles, three triples and three home runs. The only other hitter over .300 was Lamb, who finished with .306. Elmore's .292 average was third high.

Roberts led in extra-base blows with three home runs, three triples and three doubles. Farley led in two-base blows with five and collected three triples.

Among letterman pitchers, Siedell's earned-run average of 2.04 was best. His won-lost record was 7-5. He worked 88 innings, giving up 59 hits, 20 earned runs, fanning 75 and walking 27. Higginbotham's totals were 2.52 and 4-3. He worked 57 innings, gave up 42 hits, earned 16 runs, fanned 40 and issued 25 walks. Adelman's ERA was 2.79 in 29 innings. In winning two of three decisions, he allowed 18 hits, nine earned runs, fanned 33 and walked 23.

There were three shutout decisions, Siedell beating Alabama 1-0 with a no-hitter May 1, Higginbotham limiting Tulane to two singles in a 4-0 win April 7, and Adelman pitching hitless ball at Illinois Wesleyan for five innings in a darkness-abbreviated game March 23. That score was 4-0.

The Rebs' 15-10 record was good for second place in over-all SEC Western Division standings. In Conference results they finished fourth.

TENNIS

The University of Mississippi's tennis team finished its 1962 season with an eighth-place tie with Mississippi State in the Southeastern Conference tournament held at Nashville, Tennessee.

The Rebel netmen played a sixteen-game regular-season schedule plus two tournaments, the SEC, and the Mississippi Intercollegiate, in which the Rebs collected sixteen points and a second-place finish. The Ole Miss men took three of their last four matches to finish the regular season with a 6-10 won-lost record, including a 2-5 mark in conference play.

Coach Johnny Cain's 1962 team was composed of Donnie Walker, Mike Mills, seniors; Earnest (Lip) Lipscomb and Sidney Smith, juniors; and Jerry Mason, Joe Salloun, and Fred Sandifier, sophomores.

The University of Mississippi track team of 1962, although participating in only four meets, made a fine showing of itself. The Rebel cindermen received a seventh-place finish at the Memphis Relays, a third place at the L.S.U. Invitational Meet, an eighth place in the SEC Meet in Baton Rouge, and participated in the Southwest Relays.

In the SEC Meet the Rebel 440 relay team received a fourth-place finish, while Larry Smith finished third in the 440-yard dash. Mel Edmonds picked up a fifth place in the 220-yard dash. In the field events, Jim Dunaway picked up a third place with a 52-foot toss in the shot-put.

Rebel freshmen also gave promise of things to come when they combined their talents to pick up first-place finishes in the high jump, 440-yard relay, and 220-yard dash.

Members of the varsity squad who received letters were Mel Edmonds, Louis Guy, Chuck Morris, Larry Smith, and Jim Dunaway.

Freshman participants were David Jennings, J. W. Jones, Jimmy Heidell, and Clinton Taylor.

The Ole Miss "M" Club of the University of Mississippi is composed of those men who have participated and lettered in one of the intercollegiate sports at the University. The sports in which a participant may receive a letter are: football, basketball, baseball, track, and tennis.

Only the members of the "M" Club are qualified to wear the Ole Miss "M," which distinguishes these men as winners of the athletic award.

The purpose of the club is to promote sports and sportsmanship at the University. Its members assist in the recruiting of high-school athletes for the University.

The "M" Club's big project is the handling of the Spring football intra-squad game held each year during March.

Another phase of the club's activities are the social events they sponsor during the year. Their main social event is the annual Christmas party.

The Fraternity Intramural Council plans and directs all the intramural activities in which the social fraternities participate. The Council is made up of two members from each of the sixteen social fraternities on campus. Among the duties of the Council are the arranging of schedules, compiling of results, determining of eligibility of athletes, and interpretation of rules of all the sports involved.

The fraternity athletic season begins during the fall semester with touch football, which is probably the most hotly contested intramural sport of all. During the remainder of the year the Greeks go out for basketball, bowling, softball, tennis, table tennis, and other sports.

The fraternities are divided into two leagues for competition in the team sports, then the league champions meet in a game to determine the over-all championship of that sport. Points are given for each victory in a major sport—basketball, football, softball and for each over-all championship in a minor sport. At the end of the year the points are tabulated and the intramural championship trophy is awarded to the fraternity with the highest total number of points.

THE ALUMNI HOUSE

The Alumni House was financed by contributions of the alumni of the University of Mississippi and a revenue bond issue which was presented to the University on October 20, 1951. It was dedicated to the memory of those alumni and former students who gave their lives in wars of their country. With the adjoining Mississippi Center for Continuation Study it has become a part of one of the most complete centers for adult education in the South.

Each fall during the football season the Alumni House becomes a center of activity as former University of Mississippi students from all over the nation pour into Oxford to renew old friendships and cheer for the Rebel football team.

New officers of the Alumni Association are installed each year at the annual Homecoming football game.

The Department of Military Science and Tactics, which is a unit of the Army Reserve Officers Training Corps, falls under the joint jurisdiction of the University and the Department of the Army. Its design is to prepare college students for positions of leadership and to train as junior officers those students who display the needed character and high quality of a United States Army officer. The training is aimed particularly at the Army Reserve components.

The University R.O.T.C. program is divided into two distinct phases. The Basic Course is the preliminary step to the Advanced Course, which accepts those students who show promise of military development. The Advanced Course graduate may apply for a regular Army commission as a Second Lieutenant in one of the fourteen branches of the Army Reserve.

The Naval Reserve Officers Training Corps was established at Ole Miss in June, 1946, for the purpose of training carefully screened and selected young men for commissions as Ensign in the United States Navy, or Second Lieutenant in the United States Marine Corps. In order to augment the United States Naval Academy in graduating officers for these two services, Ole Miss, along with fifty-one other colleges and universities, was chosen to participate in this program. As well as studying professional Naval and Marine subjects, N.R.O.T.C. students pursue their selected major field of study.

AIR FORCE R. O. T. C.

For the purpose of selecting and training potential officers for the Air Force, the Air Force Reserve Officer Training Corps, through both regular class study and leadership laboratory exercises, has been in progress at Ole Miss since 1947.

The Department of Air Science consists of four officers and three airmen. Supervised by the University and Air Force R.O.T.C. Headquarters, they conduct the Air Science course of study which is divided into two phases, Basic and Advanced Air Science.

The first two years of academic study are devoted to air-power and its importance to the security of the nation. In the final two years, in the Advanced Course, stress is placed upon Air Force procedures and development of leadership and communication abilities.

ARNOLD AIR SOCIETY

The Arnold Air Society was founded at the University of Cincinnati in 1947 and is the youngest honorary professional military organization in the United States. Its membership consists of outstanding cadets in Advanced Air Force Reserve Officers Training Corps at 168 colleges and universities.

The Al Key Squadron was chartered at the University of Mississippi in 1950. It has as its objective to further the purpose, mission, tradition and concept of the United States Air Force as a means of national defense; to promote American citizenship; and to create a close and more efficient relationship among the Air Force R.O.T.C. Cadets.

Arnold Air Society's motto is indicative of the group's aims: The Warrior Who Cultivates His Mind Polishes His Arms.

Angel Flight, a sister auxiliary of the Arnold Air Society, began its second year at the University by being chosen as Area C-2 Headquarters.

Members are selected from applications to a special board on the basis of scholarship and participation in extra-curricular activities.

The various activities of Angel Flight include representing the University as official hostess for conventions, assisting in projects with the Arnold Air Society, drilling with Air Force R.O.T.C. Cadets, participating in parades, and entertaining Air Force R.O.T.C. Cadets during inclement weather schedules and at Christmas.

Each Thursday when meetings are held the members wear their official electric blue uniforms. The officers hold the honorary rank of the corresponding officers of the Arnold Air Society.

Air Force Sponsors are selected from members of the Angel Flight.

Omicron Delta Kappa was founded at Washington and Lee University in the fall of 1911. It came to the Ole Miss campus in February of 1936 and has since become the outstanding honorary organization for men at the University.

In order for a man to be considered for membership in Omicron Delta Kappa, he must have a total of 20 or more points. A man receives points for the following five activities: Scholarship, Athletics, Student Government, Publications and Speech, Music and Dramatic Arts. Omicron Delta Kappa also restricts its membership to only 2% of the male student body.

Although Omicron Delta Kappa is primarily an honorary organization, it performs many services to the University and its students. The principal project is the forum series, sponsored in conjunction with Mortar Board, which brings nationally and internationally known figures to the campus to speak on pertinent topics. Another service of Omicron Delta Kappa is its Foreign Scholarship Fund which is awarded to one of the foreign students on campus who meets certain standards and who is in need of financial assistance.

Mortar Board, a national honor society for senior women, was founded at Cornell on February 16, 1918, when four local honor sororities banded together with the purpose of promoting University loyalty, advancing the spirit of fellowship and service in University women, maintaining and encouraging leadership, and stimulating and developing the finest type of college women.

At Ole Miss, Mortar Board continually maintains the high ideals set forth by its founders. Each spring, Mortar Board re-evaluates these ideals, then, on Honor Day in Fulton Chapel, taps new members accordingly.

Throughout the year, Mortar Board joins with Omicron Delta Kappa in sponsoring the Omicron Delta Kappa-Mortar Board Forums. These forums bring to the University campus famous people who speak on pertinent subjects. This past year, Mortar Board, under the leadership of President Miriam Wilson, has been more active than ever.

MEGAPHONE CLUB

The Megaphone Club is composed of a member from each of the ten sororities and one independent. The members are elected by their respective sorority or dormitory. Each member is required to be a sophomore, with the exception of the president who is a junior. The officers of the Megaphone Club are elected by the members of the club.

The purpose of the Megaphone Club is to foster school spirit at every activity held on the Ole Miss campus. The club members encourage attendance at pep rallies, football and basketball games, A.S.B. dances, and other school-sponsored affairs. In order to promote attendance at these school activities, posters and handbills are distributed on the campus. School spirit has been encouraged by various methods such as the selling of pom

pom sticks at football games and the distribution of horns at games.

The Megaphone Club works hand in hand with the Cardinal Club, a men's sophomore service club. Together, the two clubs sponsored the annual Welcome Rebel party, and other similar activities.

This year for the first time, the Megaphone Club supplied each member with outfits which were worn to campus activities and on a certain week-day.

OFFICERS

<i>President</i>	Vicki Love
<i>Vice-President</i>	Jane Biggers

In 1927 the Cardinal Club was organized as a sophomore service organization. The primary purpose of the club at that time was to entertain visiting athletic teams. The club served as a welcoming committee for the athletic department here at Ole Miss. Since then the Cardinal Club has become infamous as a freshman disciplinary committee. Freshmen are orientated with the traditional freshman haircut which is sponsored by this group. Each year the Cardinal Club sponsors the building of a giant bonfire the night before the Homecoming game. The main purpose of the club now is to instill in the freshmen students enthusiastic spirit and love for Ole Miss. The club sponsors freshman roll call to ensure the freshmen attendance at all pep rallies and like functions.

The membership of the club is composed of one representative from each fraternity and two from the student body at large. The president is elected from the preceding year's Cardinal Club. He is a member of the junior class who has shown particular enthusiasm in the Cardinal Club during his sophomore year. The president plans the activities for the year with the help of the other officers. School spirit and freshman orientation are greatly fostered by this

organization. The Cardinal Club group are the most enthusiastic school-spirit boosters and members can be easily recognized at pep rallies and other functions by their Ole Miss sweaters.

Ole Miss has many organizations of a religious nature for her student body. Among the largest is the Wesley Foundation, an organization for students who have the Methodist religion as a preference.

The aim of the Wesley Foundation is to foster the social, moral, and spiritual needs of students by trying to create a greater personal relationship with God; and to strengthen ties with the church, made in youth, which assure full Christian maturity.

Activities of the Wesley Foundation include discussion groups, studies, worship, fellowship and recreation. On Sundays, students have many different types of religious activities at their disposal. Monday through Friday from 1 to 1:20 p.m. the group presents "Pause for Power," a time of devotion, on the third floor of the "Y" building. Friday at 7:00 a.m. there is a Bible Study group planned by a student council which represents the group.

First Row: Rita Louise Anderson, Ray Ayers, Cheryl Bobbitt, Sammy Brainlett, William Bullard, Kay Burns, Barbara Allyn Cole, Carol Ann Conklin, Billy Cook, John Gordon Corlew. **Second Row:** Nancy Coursey, Robert Cross, Jr., John Doggett, Barbara Elder, Ralph Ellis, Wayne Geiselman, Sara Hammond, Barbara Harmon, Katie Hester, Paula Hudson. **Third Row:** Carolyn Kerr, Bill Lipscomb, Glenda Luke, Virginia MacDonald, Marian Peacock, Wanda Price, Belle Privette, Gaylen Roberts, Ann Rogers, William Rogers.

The purposes of the University Players of the University of Mississippi are "to perform as the working organization of the University Theatre, assisting the theatre staff in all practical ways in the productions of the theatre; to foster those activities which will lead to a greater understanding and appreciation of theatre and its rewards; and to encourage on the part of its members varied participation in the theatrical activities of the University."

This year the officers of the organization have been: Sherry Moore, President; Christian Garrison, Vice-President; Margaret Spiars, Secretary; Carol Auderson, Treasurer; and Robert Canon and Andrew Ritch, members of the executive council.

Among the productions contributed to by players in 1962 were Hedda Gabler, South Pacific, Talk to Me Like the Rain and Let Me Listen, The Chairs, The Maids, Trifles, The Damask Drum, One Day More, Trista, Saint Joan, and The Seven Year Itch.

Players work in every phase of production. They borrow, buy, rent, and keep up with costumes, properties, and furniture. They study outside of class to be able to apply make-up and create sound effects; they publicize productions, build and paint sets, and of course they act in the plays.

Pre-Med students who have maintained a 4.5 average over two consecutive semesters may be awarded membership in Alpha Epsilon Delta. A student who has maintained a 5.0 average after one semester may be pledged. Alpha Epsilon Delta was founded at the University of Alabama, Tuscaloosa, Alabama, in 1926. At present there are over ten thousand members in the sixty-one active chapters in colleges and universities throughout the United States.

The objectives of the society are to encourage excellence in pre-medical work by furnishing a goal toward which the student may strive during the early semesters of his or her pre-medical career; to bind together similarly interested students; and to bridge the gap between the spirit of the pre-medical school and that of the School of Medicine.

On Ole Miss' campus in 1957 a student chapter of the American Institute of Chemical Engineers received its charter. It was decided, after a close inspection of the University as a whole, with special emphasis on the Department of Chemical Engineering, that Ole Miss was fully qualified to have a chapter. The purpose of the student chapter is to promote the professional development of students in chemical engineering. Furthermore, it endeavors to foster a professional spirit among its members and instills professional pride in chemical engineering. The chapter's activities include lectures, movies, and the presentation of papers prepared by the members. In this way the club works to achieve its goal, as well as broaden the scope of chemical engineering for its members.

AMERICAN MARKETING ASSOCIATION

OFFICERS

President Travis Halford
Vice-President Tom S. Anderson
Secretary Pat McMullen
Treasurer Rodger Cunningham

The Ole Miss Chapter of the American Marketing Association was established for the first time last year at the University of Mississippi. The membership is composed of students who are majoring in the field of business. The purpose of the association is to foster scientific study and research in the field of marketing research so the business student will be more thoroughly prepared for his profession.

The chapter here on campus is continually striving to contribute to the improvement of the teaching of marketing. Its members endeavor to further the public understanding and appreciation of marketing problems by promoting friendly relations between students, faculty, and businessmen. Many times during the year the American Marketing Association invites businessmen from various places to fulfill speaking engagements on campus. These businessmen discuss many problems in the marketing world and encourage the students to further their knowledge in business education. Members of this association entertain these guest speakers during their visit here at the university.

Student chapters of the American Society of Civil Engineers provide the opportunity for the beginnings of professional associations. All students in the Department of Civil Engineering are welcome to attend some of the meetings but membership is open only to juniors and seniors in this department. Membership in the chapter assures that contacts can be made with the technical and professional progress of civil engineering and with the leaders who are responsible for such progress. Also very important, membership offers the chance to take part in the constructive activities carried on by future leaders of the profession. The American Society of Civil Engineers student chapter supplements regular class meetings and laboratory work and is the only agency that can relate the professional development of the students.

Spiritual growth on the campus, along with mental and cultural developments through church-related programs and activities, is offered by the Baptist Student Union. The BSU serves as a connecting link between the campus and the church for Baptist students and for those of Baptist preference.

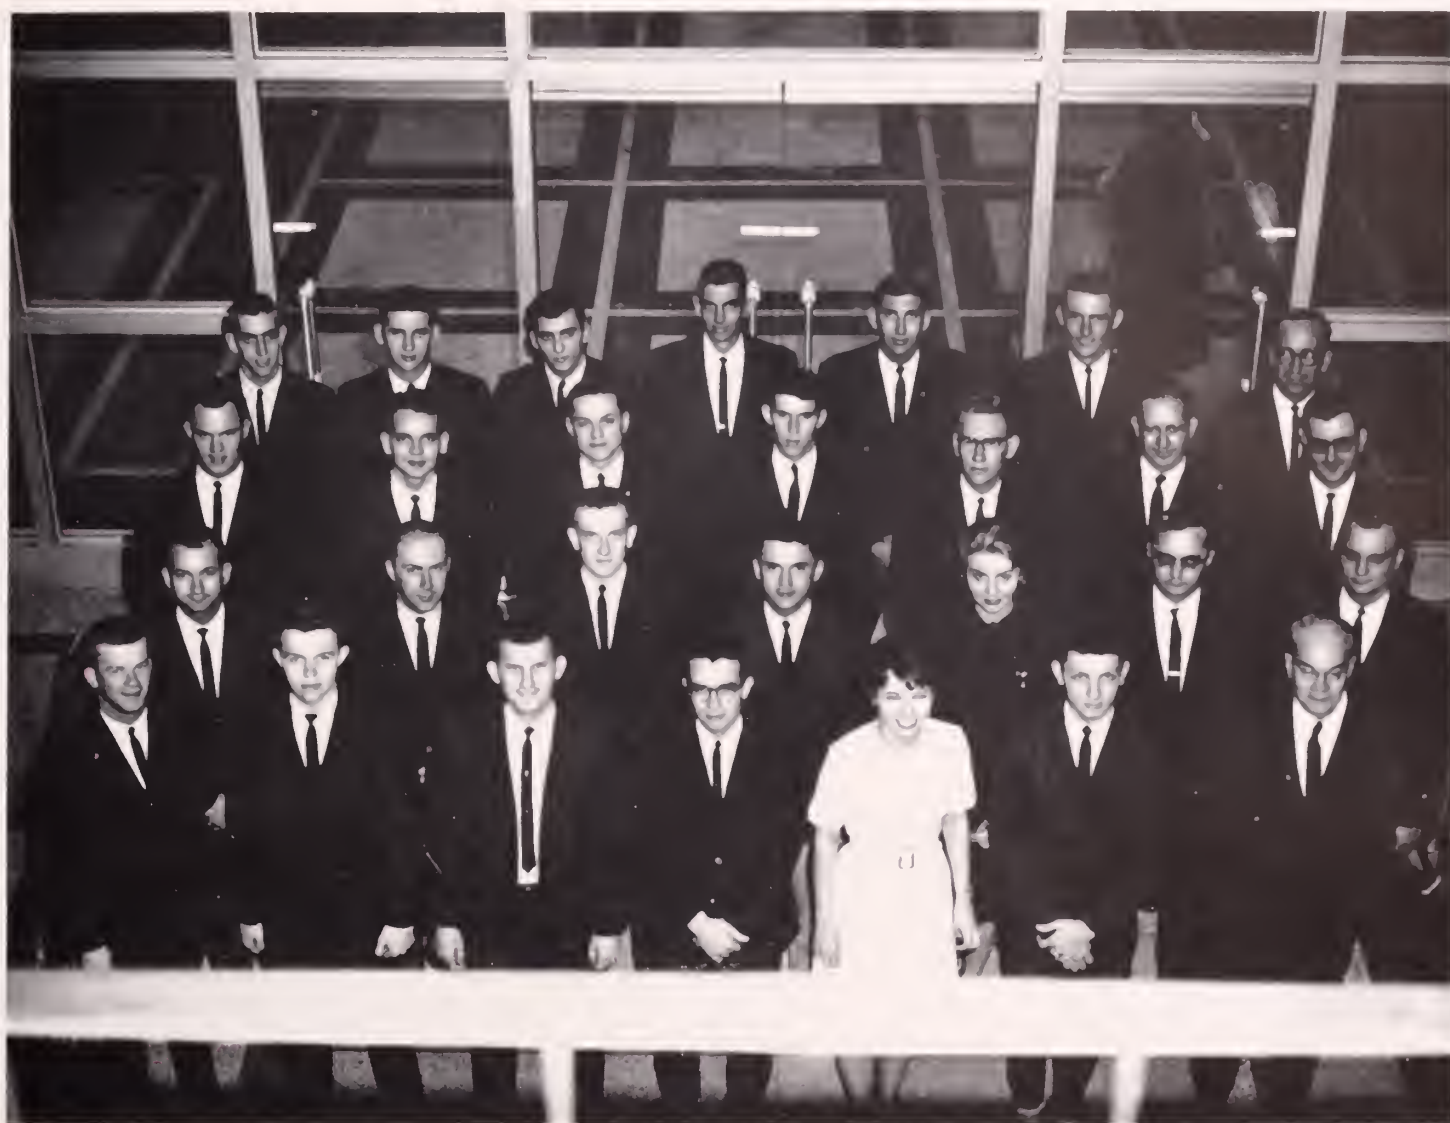

The BSU Councils are elected annually by members of the organization. It is the responsibility of the council to contact and enlist Baptist students who would be interested in participating in the program of the BSU. It is also the Council's duty to coordinate the Baptist program with that of other campus religious organizations.

Each year the Ole Miss BSU sends a delegation to the State BSU Convention. It sponsors short devotionals each week day at noon which are conducted by the students themselves. Prayer dates are considered an important part of the BSU. Various mission projects are also undertaken by this group. All of these projects are open to Christian students of all denominations.

The Religious Emphasis program at Ole Miss is sponsored by the Committee of One Hundred—a cross section of the University community. This group of students, staff, faculty, directors and chaplains of student religious groups, and Oxford ministers sponsors a series of Religious Emphasis Speakers throughout the year. Through meetings in fraternity and sorority houses, classrooms as well as in convocations and other areas on the campus, students are given the opportunity of hearing these leaders in the field of religion.

Through student leaders and interests of faculty members, the Committee has accomplished many of the great ends it desires. Ole Miss is greatly indebted to the persons who strive to give us a wider view of religious opinions through the year.

This group also entertains for seasonal events such as The Messiah at Christmas. The touring choral group works for blend and precision in each of their performances. In addition to striving for these traits, the singers try to attain an over-all choral musicianship. They have earned a well-deserved reputation for a fine singing group through their efforts. The students and faculty alike have applauded the group for its fine singing. Everyone looks forward to each performance given by these fine musicians.

Last year was highlighted by the Spring tour to New Orleans, Louisiana. The group represented the University at the National Association of Music Teachers Convention. There they helped to gain recognition for Ole Miss in the field of music.

CWENS is a National Honorary Organization for Sophomore women of which Mississippi Iota Chapter is a part. At the time of the National CWENS Convention in September of 1962, which was attended by two Iota Chapter delegates, there were 135 chapters.

The purpose of CWENS is to promote scholarship and leadership among the coeds and to render service to the University. To qualify for membership a girl must have been outstanding in leadership in campus activities as well as proficient in her studies her freshman year. Only ten per cent of all freshman women who have attained a 4.00 grade average are selected each year to wear the insignia of CWENS.

CWENS try to develop cultural interest by entertaining guest speakers at their weekly meeting. This year they served Ole Miss by ushering at all Committee of 100-sponsored convocations.

Men and women in office administration may become affiliated with Epsilon Gamma Epsilon. This honorary organization was founded at the University of Mississippi in 1951. It is incorporated in Mississippi and became a national organization last year.

Epsilon Gamma Epsilon emphasizes four phases of activity—the professional, the fraternal, the honorary, and the social. Its chief purpose is to promote the ideals and concepts of higher education in office administration which will contribute to the preparation of men and women for office occupations and for teaching in the field of business education.

The activities of the fraternity enable its members to become acquainted with leaders in the fields of business and business education and to become aware of current developments, standards, practices, and routines of business.

Membership in the organization is based on character, leadership, and scholarship. It is limited to students enrolled in the department of Office Administration and Business Education who are specializing in secretarial science, office management, and business education.

The Financiers was organized in the spring of 1959 on the Ole Miss campus. The organization is composed of those students majoring in the field of Banking and Finance. The club is sponsored by the University of Mississippi Chair of Banking, under the direction of Dr. Ben B. McNew, and the Mississippi Bankers Association.

The purposes of the Financiers are to bring together students of banking and finance for a closer fellowship and the interchange of ideas, to foster a better understanding of the responsibilities of financial institutions to the local and national economies, to bring to the students a better understanding of the duties and responsibilities of financial executives, and to afford the banking and finance students an opportunity to meet and hear individuals who are successful in the various financial fields.

Various leading Mississippi bankers have spoken to the group on the different specialized functions of banking activities during the past year. The group meets every other Tuesday at 4:15 in the Commons Room of Conner Hall. The public is cordially invited to attend and participate in all discussions.

The Mississippi Home Economics Association and the American Home Economics Association are affiliated with the University of Mississippi Home Economics Club. The club was founded on the university campus in 1938. The purpose of this organization is to bring members together and inform them of the opportunities in the field of home economics, and to promote clean, healthful homemaking.

Students majoring in Home Economics may join the Home Economics Club. It enables them to learn what other members are accomplishing in Mississippi and in the United States in this field. The club offers great opportunities for those who are interested in learning the modern techniques of Home Economics.

A national program is set up at the beginning of each year. The points of this program are sent to the various clubs throughout the United States. At the Home Economics meetings, held the first Monday of each month, the members work to carry out these points and to obtain the high standards which are set up by the club here at Ole Miss.

In the spring of 1959 the Electrical Engineering Student Society was organized on the Ole Miss campus. Membership includes all electrical engineering majors and all students who are majoring in related fields.

The purpose of the society is to advance the theory and practice of electrical engineering and its allied fields. The organization attempts to assemble students with common interests while striving to instill pride in the fields of electricity and electronics. Monthly meetings are held for the reading and open discussion of professional publications, technical films, and other matter which are appropriate for an organization interested in subjects of such a technical nature.

This year, the Electrical Engineering Student Society is in the process of becoming associated with the Institute of Radio Engineers. The society will be able to become more closely associated with other organizations of this type as soon as the School of Electrical Engineering is accredited by the national organization.

In 1961 the Ole Miss Sport Judo Club was founded on the University Campus. The purpose of this organization is to promote good sportsmanship on the campus and to better the inter-collegiate relationships through participation in Sport Judo.

The club takes many trips to schools with similar organizations to compete in Judo. The students on the Ole Miss campus who are interested in Judo can become acquainted with different techniques used by other Judo enthusiasts by engaging in friendly competition with these schools.

The Ole Miss Judo Sport Club has met in contest with the University of Kentucky, Louisiana State University, Ohio State and the University of Louisville.

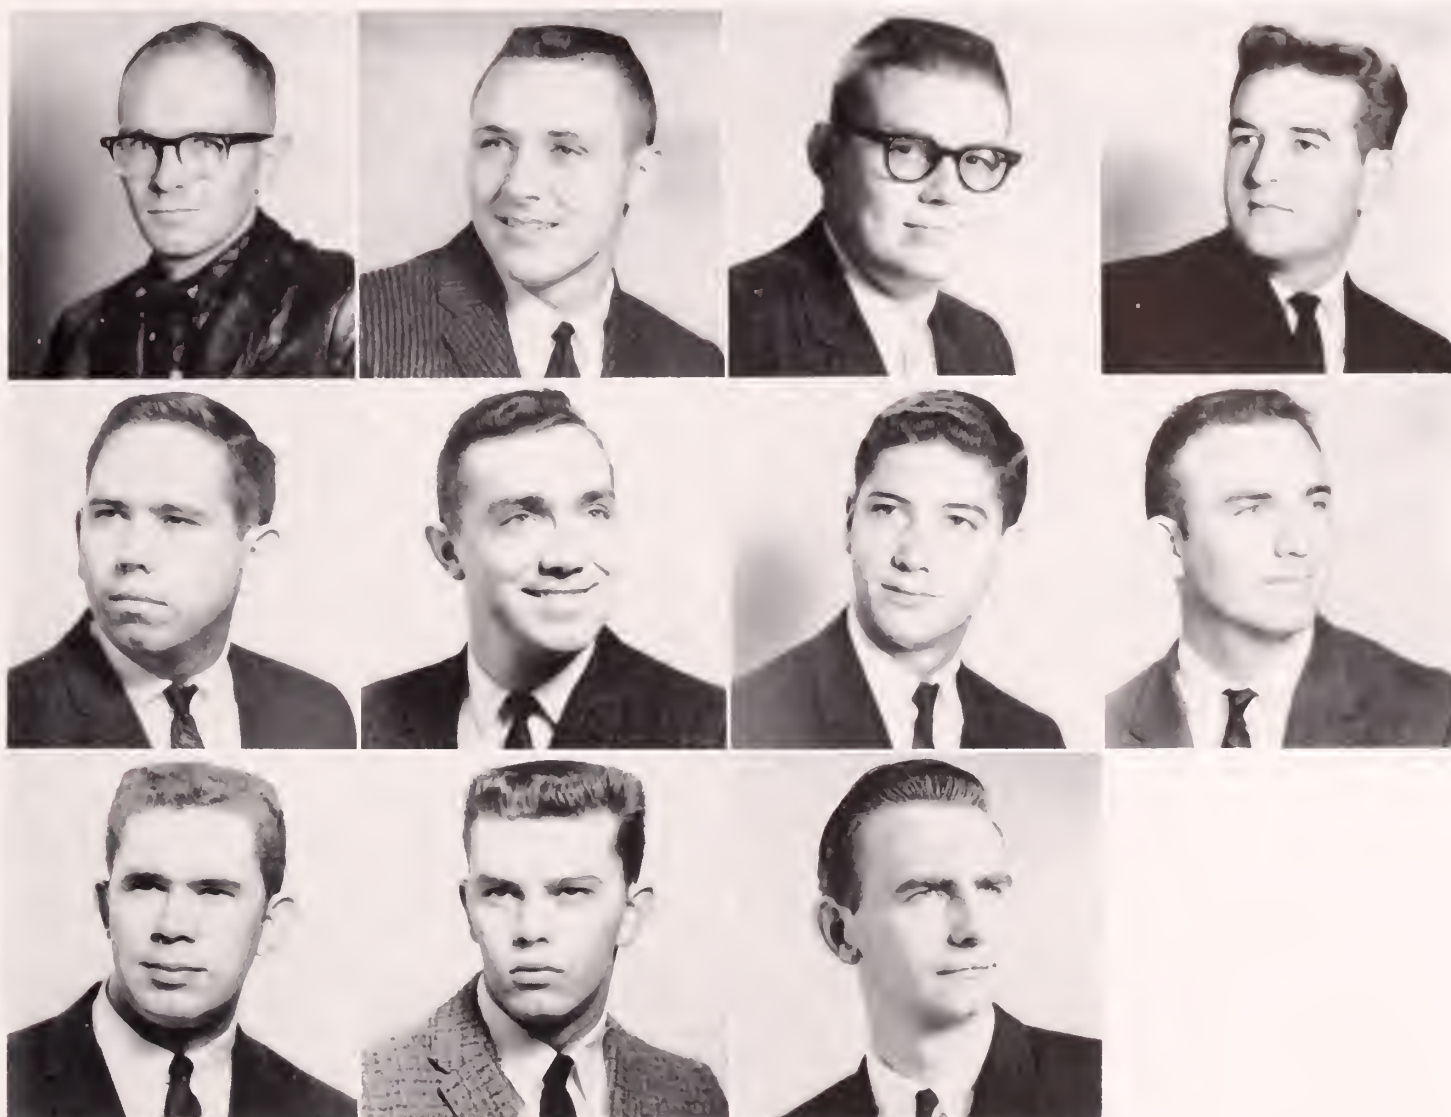

Although the Judo Club is a relatively new organization on the campus, the students have shown much enthusiasm over the club. A great deal of excitement is created as the Judo Club begins another year of competition.

The instructor of the Sport Judo Club, Hibu Ko, ably assists the students in the techniques of this unusual sport.

The first national Greek letter pharmaceutical fraternity to be founded was Kappa Psi. The founding took place on December 5, 1879, at the College of Virginia. Later a chapter was established on the campus of the University of Mississippi and remained active until around 1930, when it went inactive. Some seventeen years later in May, 1947, the Beta Rho Chapter of Kappa Psi was reactivated. Since that time its prestige has grown steadily on the Ole Miss campus as pharmacy students have realized its importance in their professional outlook.

The men of Kappa Psi are chosen in recognition of their scholastic standing, general ability, character, personality, and activities. Members of this organization have been recognized as outstanding students at the university. They must strive to exert their utmost efforts to preserve and further the high ideals which are always displayed by the pharmaceutical profession.

OLE MISS "Y"

"Religion and Life are one and the same, or neither is anything," believes the University Christian Association. It strives in many ways to unite a campus of natural fragmentation—both social and academic—into a real community based upon a common ground: that of believers in God. Its purposes can be easily discovered in the many types of activities within the organization's program.

These activities are carried out through the joint YMCA-YWCA. The "Y" meets every Monday evening in its own building for worship, study, fellowship and service. Films and visiting lecturers to the campus are often highlights of these informative and inspiring meetings.

The heart of the "Y" is the Cabinet which is composed of student leaders who direct the Y-sponsored activities. These functions include convocations, retreats, stunt night, and countless other projects in cooperation with other campus groups. The Ole Miss "Y" is definitely an asset to our campus and should be commended for fostering such a fine Christian spirit among the students.

PHI ALPHA DELTA

The Lamar Chapter of Phi Alpha Delta was organized in 1929 at the University of Mississippi. The fraternity was named for L. Q. C. Lamar, one of Mississippi's leading statesmen of the past.

Phi Alpha Delta Law Fraternity was first established in Chicago, Illinois, in November of 1902. It is a national organization composed of seventy-five student chapters and thirty alumni chapters. Student chapters are located only in class-A law schools which are members of the Association of American Law Schools. It is a great attribute for a university to have a chapter of Phi Alpha Delta located on its campus.

Membership in this fraternity is obtained by those who fulfill the necessary scholarship and character qualifications. Phi Alpha Delta keeps the standards of the chapter high by strictly examining the record of each student who seeks membership in the Organization. It is a primary function of the fraternity to foster friendship, cooperation, and a high code of professional ethics among its many thousands of brothers throughout the nations.

The Alpha Epsilon Chapter of Phi Delta Chi was founded at the University of Mississippi in 1927. Two years later, in 1929, the fraternity became inactive and was not reactivated until 1951. Students who are outstanding in the School of Pharmacy may join the pharmaceutical fraternity, Phi Delta Chi. It is a national fraternity which was first established at the University of Michigan, Ann Arbor, Michigan, in 1833.

The men in the chapter symbolize the two-fold purpose of the fraternity: brotherhood and hard work. The high ideals of the pharmacy profession have been fostered through their good fellowship and cooperation. The group works together to keep these standards high.

Although books, pills, powders, and labs occupy a great part of their time, the men also participate in social activities. The Phi Delta Chis hold various social functions during the year which prove that work and play can be combined successfully.

The oldest professional fraternity in the United States is Phi Delta Phi. International in scope, this legal fraternity is one of the enduring institutions among honorary fraternities which exist today. Mayes Inn of Phi Delta Phi was formed at the University of Mississippi in 1927. The members are selected from those law students who have displayed the highest qualities of scholarship and character in their legal training. The purpose of the fraternity is to promote culture and professional ethics in the legal profession.

Participation in Phi Delta Phi's activities offers the earnest law student unmatched opportunities for an early awareness of the practical legal problems and techniques not emphasized in the curriculum, as well as helpful guidance to a more general understanding of the profession for which he is studying to be a member.

Phi Eta Sigma is the national honor society for freshman and sophomore men. To be eligible for membership, a man must have a 4.5 grade point average the first semester of his freshman year or he must have this average any time his sophomore year regardless of whether he met the requirements his freshman year.

Among its projects to advance scholarship among freshmen are: the publication of "How to Study" pamphlets for freshman orientation, providing scholarship experts to speak during orientation, and compiling a file of available tutors in different subjects for freshmen.

The fraternity's sole aim is to encourage high scholarships among freshmen. Under the fine leadership of Fred Sandifer and with the help of such outstanding members as John Corlew and Jimmy Barksdale, Phi Eta Sigma accomplished this goal by increasing the over-all average of the freshmen men.

Director of Dormitory Intramurals Ernest Schroeder
Secretary Mrs. Travis Vance
Typist Mrs. James Dale

Mr. Binford T. Nash, Director of Men's Housing, sets high standards for the students who are Dormitory Managers. A student who wishes to become a Dorm Manager is required to apply before the academic year begins. His record must be carefully considered before he is accepted. A Dorm Manager must have at least a 3.5 average and many extracurricular activities.

Mr. Nash feels that Dormitory Managers must set an example for the men students. They are expected to hold themselves above riotous conduct and negligence. By raising these standards Mr. Nash hopes to provide more competent and enthusiastic Dormitory Manager and, therefore, offer a better life for students in the dorm.

Dormitory Managers lead a hectic life. They should be admired for upholding the standards set for them while still devoting much of their time and energy for the comfort of the men students here at Ole Miss.

The highest honor that can be bestowed upon an advanced military cadet is membership in the national society of Scabbard and Blade. Membership in this famous military organization is based on a person's display of high personal integrity, outstanding leadership ability, good scholastic record, military interest, and active participation in other campus activities.

Scabbard and Blade works constantly to promote increased mutual understanding and a closer relationship among the three military departments on the Ole Miss campus. This group also seeks to develop fully the qualities of efficient and capable officers necessary for strong and able armed forces.

Company "B", Eighth segment, was founded on the University of Mississippi campus in 1940.

SOCIETY FOR THE ADVANCEMENT OF MANAGEMENT

OFFICERS

President Walter Shettlemore
Vice-President Homer Trammel
Secretary Don Phillips
Treasurer Barnett Serio

The Ole Miss Chapter of the Society for the Advancement of Management endeavors to strengthen management education and further the growth of students by stimulating their thinking, widening their knowledge, and developing a better understanding of business and the free-enterprise system. The basic objectives of the Ole Miss Chapter: (1) to bring closer together executives in business and students preparing to go into business; (2) to serve as an effective medium for the exchange and distribution of information on problems, policies and methods of industry and management; and (3) to provide students with the opportunity of participation in organizing, planning, directing and controlling the activities of an organization dedicated to the promotion and advancement of the art and science of management. Activities such as meetings, conferences, news bulletins and research projects and community service give students an insight into the practice of the management profession.

Students in colleges and universities who plan to enter the teaching profession are eligible to affiliate with the Student National Education Association.

The SEA is a professional organization with chartered chapters in accredited colleges and universities throughout the country. The state educational association is closely associated with this organization and at various times during the year members of the state association speak to the SEA.

Through this association the student gains an understanding of the history of education. The ethics and program of the teaching profession are also extensively studied.

The Student National Education Association aims at the development of personal growth and professional competences.

Three years ago in September of 1960 eight talented young ladies under the supervision of Miss Dibba Butler formed a new organization for campus entertainment which has come to be known as The University Dancers. This young group of hard-working dancers has watched its membership grow to approximately 26 dance artists.

The University Dancers specialize in the techniques of modern dance, although they have performed compositions in other dance fields on requested occasions.

In its three years of existence, this dancing group has become extremely popular on the Ole Miss campus and has performed for numerous campus organizations, such as the Faculty Tea, a Spring Recital, a Christmas Party and the University Players big production.

Some of the special performances this group has put on include the half time performance in the Cotton Bowl in Dallas, Texas, last year, and a half-hour television program in Memphis this year.

Miss Elizabeth Ann Hulsey, a second-year dancer from El Paso, Texas, said this about The University Dancers: "Skill, talent and exhausting practice sessions have elevated this group to the position of one of the most outstanding campus entertainments, thereby adding another artistic attraction to Ole Miss culture."

The Westminster Fellowship is an integral part of the total fellowship of the Presbyterian Church. Its calling is to proclaim the Gospel of Jesus Christ in the academic community. Its mission is to present the truth of the Christian faith amid conflicting viewpoints on the campus, to witness to the redeeming work of Jesus Christ and to help students recognize their responsibilities to God.

The Westminster Fellowship has a varied program of worship, study, fellowship and service encompassing a wide range of interests. WF activities center at Westminster House which is located on University Avenue across from the Mary Buie Museum. The advisory and counselor is Reverend Clifford A. McKay, Jr., the Presbyterian University Pastor.

The Presbyterian Church of Oxford sponsors the Westminster Fellowship. Membership is primarily composed of Presbyterian students; but is open to any student at the University who wishes to donate his time and talents to a working, church-sponsored organization.

The purpose of the Westminster fellowship is three-fold: to help each member have a personal, growing relationship with Christ; to unify the students through Christian work, study, and fellowship; to develop a responsible sense of churchmanship to the students of Ole Miss by presenting Christian witness as individuals and as a group.

Through the year this group undertakes various projects to better the atmosphere on the University campus and to help anyone who needs help. Christmas is an especially rewarding time for the members as boxes are sent to the

needy and a party is given for the underprivileged children in the Oxford area.

Westminster Fellowship meets for a program each Sunday night. These programs are inspirational and beneficial to all who attend. At the beginning of each year members of the Westminster Fellowship invite all students to attend these programs and urge them to participate while residing at Ole Miss.

All girls participating in the intramural sports activities that are conducted on the Ole Miss campus are members of the Women's Recreational Association. The WRA was founded at the University of Mississippi in 1926 and the importance of this organization has increased since that time. It is governed by a board of representatives from each dormitory and sorority that sponsors a team in any of the intramural sports.

The purpose of the WRA is to provide various activities such as basketball, volleyball, badminton, and ping-pong for girls at the University of Mississippi to enjoy during their leisure time. A sensation is stirred up by awarding points to the winning groups. These points are added up and the group with the greatest number of points wins a trophy.

It's healthy to release your hatreds in an occasional burst of temper. So, fellow students, take out your darts and tack this page to the wall. For the second year in a row, the Ole Miss presents those people you would most like to see fall off a cliff—the Brothers and Pledge Class of Alpha Sigma Sigma. Alpha Sigs are friendly, reserved, loyal, and pleasant—to each other. The rest of us just don't seem to understand them—we are repulsed. ASS social events include a formal date supper at Dirty Charlie's and a football game between actives and pledges, entitled "The Toilet Bowl." The pledges got flushed 69 to 0. The losers picked up the tab for an evening of fun and refreshments at the Hole-in-the-Wall. Here are the ASS's of 1963—Fire Away!

ALPHA LAMBDA DELTA

The honorary scholastic organization of the Ole Miss campus for freshmen women is Alpha Lambda Delta.

To be eligible for membership, a woman student must maintain a 4.5 average throughout her freshman year. The freshmen coeds who keep this average are initiated at the beginning of their sophomore year. There can be no failing grades on the records of Alpha Lambda Delta. The rigid requirements set up for membership make it indeed an honor to be asked to join.

Alpha Lambda Delta has set forth as its purposes the encouragement of superior scholastic attainment among freshmen women and the promotion of a high standard of learning at "Ole Miss."

ALPHA PHI OMEGA

Students who wish to join a service fraternity for the nation, community, and campus may become affiliated with Alpha Phi Omega. This is a national organization founded at Lafayette College, Easton, Pennsylvania, in 1925.

Alpha Phi Omega was established at the University of Mississippi on May 2, 1948. To be eligible for membership, a student must have affiliated with the Boy Scouts sometime during his life.

The purpose of Alpha Phi Omega is manifested on the Ole Miss campus in various ways. The members serve as ushers at many social events, sponsor annual rifle matches for high school students, and operate the University Book Exchange.

Alpha Phi Omega is also very active during Rebelle as they are responsible for "The Ugliest Man on Campus" contest. The students are charged a penny a vote and the money goes to various service projects for the Oxford Community.

AMERICAN SOCIETY OF MECHANICAL ENGINEERS

On November 15, 1954, the Mechanical Engineers Club, which was later to become the American Society of Mechanical Engineers, was founded. This organization, open to all engineering students, sophomores or above, who are majoring in mechanical engineering, has the primary purpose of promoting better relations among the students and to keep students abreast of the latest developments in the engineering field. Meetings are held, at which time technical movies are shown, various industrial speakers are presented, and faculty members present papers.

The Mechanical Engineering Department of the University has recently been accredited. Thus the Mechanical Engineers Club became associated with the American Society of Mechanical Engineers, and is now one of its student chapters.

BUSINESS EDUCATION CLUB

In October of 1947 the Business Education Club was organized on the campus of the University of Mississippi. This club is the unifying force for the many students and faculty on the campus who are interested in business education. Through this organization they can get to know each other better and have more opportunities to discuss subjects of mutual interest. The club also provides excellent opportunities for students to become personal friends of many of the faculty members since they meet because of common interests. Because it was felt that the benefits are just as great to a "C" student as an "A" student, membership is not based on grade averages, but is extended to all students and faculty members who are interested in business education.

CANTERBURY CLUB

The Episcopal Church sponsors the Canterbury Club for Episcopal students. It provides students with opportunities to develop their religious beliefs more fully and to continue their church work while on the campus of the University. The club meets each Sunday evening as well as Thursday evening. On Sunday various programs consisting of speakers, panels, films, recreation, and group discussions are held. Thursday nights the members meet and eat together at what is known as the Supper Club. There, religious topics are discussed by the students on their own level. This gives each Episcopal student an opportunity to express and discuss his beliefs. Each year the Canterbury Club sponsors various social events such as shrimp suppers. It does a great deal of work among the needy around the University.

CHI EPSILON

Civil Engineering is a field that requires professional relationship with fellow engineers. Chi Epsilon is the national fraternity on the Ole Miss campus that provides the opportunity for the enhancement of this necessity.

The purpose of Chi Epsilon is to form a closer union and bonds of friendship among civil-engineering professionals.

To be eligible for membership, a person must be a junior or a senior in the School of Engineering. He must also show excellence in scholarship, character, personality, and practicality.

This year marks the twelfth year of the University of Mississippi Chapter of Chi Epsilon. This year, as in the past years, the fraternity has done much to create and develop a spirit of unity and activity among those in the civil engineering profession.

CHURCH OF CHRIST

The Church of Christ has, on the campus, an organization for students of that religion. The name of the organization is the University Christians. It is a fellowship at Ole Miss for students who are striving to reproduce ancient New Testament Christianity in the Twentieth century. These members of the Church of Christ meet daily on campus for devotionals and weekly Bible study as a supplement to the program of worship and to the Oxford Church of Christ. A new Student Center adjoining the campus is now being used to aid the spiritual growth and development of the students.

DELTA SIGMA PI

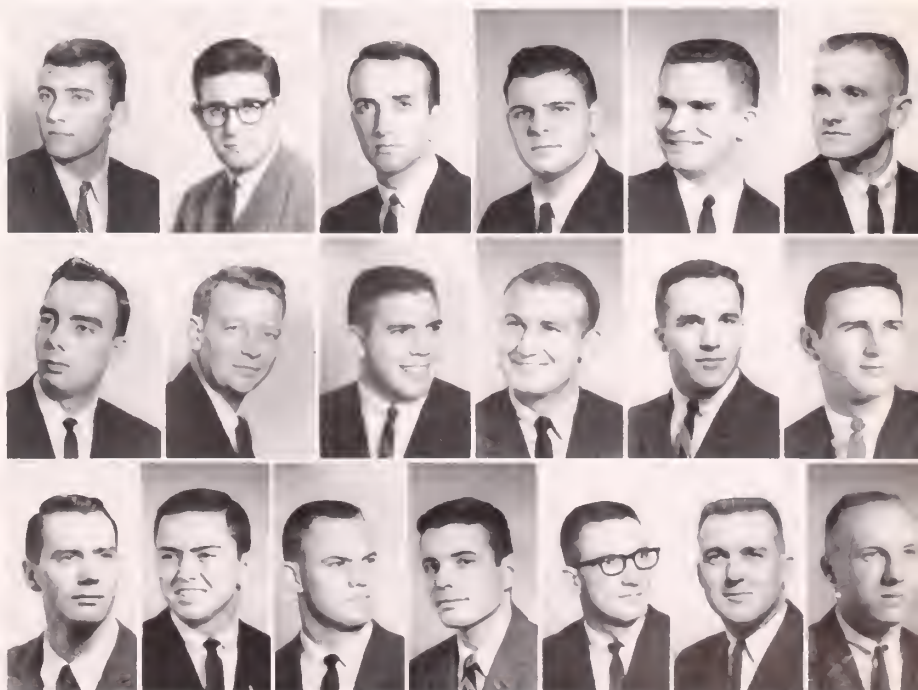

The second-largest professional fraternity in the United States is Delta Sigma Pi. It was founded at New York University School of Commerce, Accounts and Finance, on November 7, 1907. Alpha Phi Chapter was established at the University of Mississippi in 1927. Membership is limited to men in the School of Commerce and Business Administration who meet the necessary scholastic requirements and unanimously pass the chapter.

Delta Sigma Pi sponsors tours of leading industries, conducts programs with prominent speakers from the business world, and promotes discussions and films about important topics of interest to commerce students.

PHI BETA LAMBDA

Phi Beta Lambda, organized on the University of Mississippi campus in March of 1960, is a national fraternity for students in business. The members include students in the School of Business and Government, who have been selected by the organization and who meet the necessary academic and leadership requirements.

The purpose of Phi Beta Lambda is to further the knowledge and understanding of the business world. It seeks to develop, strengthen, and encourage those who will become the future business leaders of America.

It is an honorary, professional, and social fraternity that has a variety of programs and activities. During the year, the chapter has its annual rush party, takes various field trips, listens to well-known business speakers, and acts as host for the state Future Business Leaders of America Convention held here at the University of Mississippi.

PHI GAMMA NU

In May of 1950 Phi Gamma Nu was organized on the campus of the University of Mississippi. It is a professional commerce sorority. The members are women students in the School of Commerce and Business Administration who have met the necessary scholastic requirements, and who are approved by the members of the organization.

It was organized to further the interest of women students in the field of commerce and business administration; to further academic study and promote a standard of high scholarship; and to further interest in civic and professional enterprises.

Various programs are presented at different meetings of Phi Gamma Nu to help add to the members' knowledge of business facts and figures.

RHO CHI

The fundamental objective of Rho Chi is to promote higher scholarship and to advance the pharmaceutical sciences through research.

This chapter of Rho Chi was founded at the University of Mississippi in the spring of 1962. Although it is a new organization, this pharmaceutical fraternity has taken its place among the other organizations of its kind on the "Ole Miss" campus.

Rho Chi takes its members from the upperclassmen in the School of Pharmacy. To be eligible for membership in this organization, a student must have a 4.00 average, or better in his pharmaceutical courses. If he makes the grades necessary for initiation, he may be tapped for membership on Tap Day in Fulton Chapel, in an impressive ceremony.

SIGMA ALPHA IOTA

Membership in Sigma Alpha Iota is limited to those graduate and undergraduate music students who meet the requirements. They must be majoring or minoring in music, show exceptional musical ability, and possess a high scholastic rating. In addition to this, the students must be recommended by the faculty of the Department of Music. Sigma Alpha Iota is a national honorary musical fraternity for women and it is found on the campuses of leading colleges and universities of the United States.

Whenever famous musicians visit the university, they are met by members of Sigma Alpha Iota and are shown around the campus. Many times this group has the distinct privilege of having private meetings with these outstanding figures in the musical world. This gives them an opportunity for personal instruction and advice that they would not ordinarily have had.

In Memoriam

MARY VIRGINIA GODFREY

Her zest for living exemplified her Christian life of God first, others second, and self last. "Tootsie" was a rare individual who will be long remembered for her love and devotion to her work and her fellow man. Her life is one which brought smiles of happiness and joy to each who came in contact with her. . . . Virginia's memory will radiate in our hearts forever. . . . "It's not how long you live, but how well you live."

THE
RECONSTRUCTION

THOSE FIRST DAYS AND...

Would you open your trunk please?

In my spare time I work for the University Barber Shop.

Traditional.

WELCOME REBELS

... and it was this big.

I'll take LSU and six.

Shoot what?

This Rebel really got welcomed.

WAY DOWN SOUTH

Young man on the way up.

Miss It!

No wonder they hit a power line!

IN THE LAND OF COTTON

Yankee Go Home!

Harvard vs. Yale.

Let's talk Mississippi.

U. S. 1, Mississippi 0.

I don't know, I just don't know.

What do you mean, registration's closed?

T. M. K.

Kiamie got through!

Now, let me say this about that.

After studying this with great vigah . . .

Which I.D. card?

Thank goodness I don't play the piccolo.

Momma told me there'd be days like this.

No! those panty raids!

To the victors go the spoils.

Whadda mean we lost the game?

2H, IE, 2L, IP

Who put this trash in my box?

A bill from Johnny's?

Why don't I get six hundred letters a day?

They're getting tough about those downs.

I vote wet.

The end!

BEHIND THE COTTON CURTAIN...

I thought it would all come out in the wash.

You throw a brick and I'll hit you with my umbrella.

Playmate of the month . . .

EXISTENCE

It was this way, Dean . . .

Father? I'm not even married!

Under the spreading Christmas tree the village drunk sits.

The line-up!

Take me to your Chancellor.

It's such a comfort to take a bus . . .

Bonnie's replacement . . .

How do you spell "Buck?"

We got it!

SLICE OF
LIFE . . .

What do you mean, you've run out of clothes?

Midnight in Moscow.

I say marry me now.

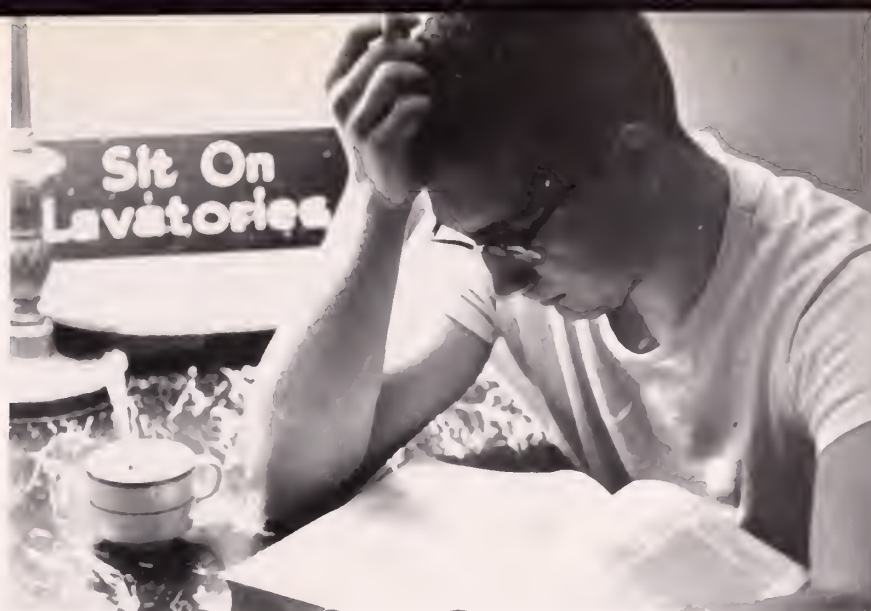

The Brower Boys.

You make me sick!
